Guide My Feet Marian Wright Edelman,2013-05-14

The founder of the Children's Defense Fund and author of *The Measure of Our Success* presents prayers and meditations to inspire all those such as parents, teachers, and ministers who work on the behalf of children. Marian Wright Edelman, founder and president of the Children's Defense Fund, is one of the most important moral leaders in America. Her first book, *The Measure of Our Success*, was a #1 New York Times bestseller, spending 16 weeks on the list, selling more than 450,000 copies, and garnering spectacular praise from Hillary Clinton, Maya Angelou, and Oprah Winfrey. *Guide My Feet* continues her crusade for the well-being of America's children by providing a counterweight to the lesson society is teaching this generation of children to be soulless takers instead of empowered givers. *Guide My Feet* is a collection of prayers and meditations gathered from Edelman's own holiday rituals and experiences and the writings of such inspiring leaders as Dr. Martin Luther King Jr., Gandhi, and Frederick Douglass. It urges readers to commit to and pray for strength and patience and offers solace and direction for parents troubled by the commercialism and violence running rampant in today's society. Filled with wisdom, compassion, and understanding, it provides an important spiritual and moral resource all caregivers can turn to as they strive to instill values, integrity, self-discipline, and faith in children. *Recovering the Evangelical Sacrament* Anthony R. Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments, liturgy, worship, and ecumenical studies and within confessional bounds, credobaptist or paedobaptist, yet it is rarely discussed by Evangelicals. This book, however, is neither an apologetic for credobaptism nor paedobaptism; rather, Cross believes that as practiced today, both forms are a departure from New Testament baptism, which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel. He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water. The study sets out the case for this interpretation and contends that in key passages, baptism is an example of synecdoche. The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective. Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post-Christian, post-Christendom mission setting. *Christianity* Matt Stefon, Assistant Editor, Religion, 2011-08-15 Describes the basic doctrines, history, and religious practices of Christianity, including Christian concepts of human nature and profiles famous Christian figures throughout history. *The Disciples at the Lord's Table* Gerard Moore, 2015-06-22 The Disciples at Table: The Christian Church. Disciples of Christ is about to enter its third century of worship, evangelism, and Christian worship. This book is a snapshot of their Table practice, its origins, forms, prayers, and ecumenical development. Single-minded pioneers and advocates of Eucharistic Table fellowship, each Sunday, the Disciples forged a unique experience of worship within the restorationist paradigm. What did this worship look like? A free tradition, explicitly non-liturgical, these Christian communities were open to the directives of the Scriptures and the inspiration of the Spirit. There were no official texts. Yet there was a plethora of worship books and aids in effect, unofficial

texts operating to guide inform and develop the Disciples understanding of the Lord's Table and their worship For the first time these devotional books have been uncovered and studied revealing something of the deeper influences behind Disciples practice the common lines of thought and ritual that unknowingly bind the communities and the difficulties that have emerged in light of ongoing ecumenical worship and research **Disciples and Theology** Stephen Sprinkle, 1999

Unfettered Spirit Robert D. Cornwall, 2013-06-21 All too frequently studies of the gifts of the Spirit consist largely of answering two questions What are the gifts and Which ones do I have In many cases studies go on to a third question How can I get more In response institutional churches and theologically and intellectually respectable Christians often tend to avoid the work of the Holy Spirit in the church entirely It's much easier to simply close the doors and windows than it is to deal with the wind John 3:8 After all they've seen the wind blow out the candles disarrange the altar vestments and send a chill through the congregants Author pastor and church historian Bob Cornwall has experienced all of this for himself He has seen traditional churches and worship He has seen Pentecostal worship He has led congregations in difficult times For more than 30 years he has studied practiced prayed and lived the work of the Holy Spirit in the church The result is Unfettered Spirit Spiritual Gifts for the New Great Awakening Here he avoids both the errors of replacing the freedom of the Spirit with human whim and of trying to tame or confine the Spirit that will not be fettered He asks Do you truly believe that God is present in the world And do you believe that God is working through us to break down the walls that divide us from God from each other and from the world And if you do do you believe that you have been gifted and empowered to participate in this ministry that takes down the walls of egoism suspicion greed self interest and hatred If you can say yes to these questions jump right in This is the book for you If you are hesitant or if the idea of the Holy Spirit working unfettered in your congregation and community frightens you read the first four chapters carefully as Bob lays the theological foundation You may find your maybe or even your no turned into a yes Building on this foundation Bob continues with five chapters on the gifts of the Spirit as described in Scripture These are practical discussions that will let you keep your bearings in discussions of the Spirit and more importantly in a community where the Spirit is active Finally he concludes with a discussion of how to lead and pastor a church where the gifts of the Spirit are active Whether you are a Pentecostal an evangelical a mainliner a progressive or any other label you might find for yourself or your church you will profit from reading this book Protestant Lay Leader Resource Guide, 1967 **The Stewardship Companion: Lectionary Resources for Preaching** William H.

Willimon, David N. Mosser, 2007 **Hymns for Christian Worship**, 1909 **The Gospel and the Grateful Dead** The Rev. Dr. Pitman B. Potter, 2014-04-24 This book examines the linkages between the music and message of the Grateful Dead and the Christian gospel The Grateful Dead emerged from the San Francisco hippie scene in the late 1960s and offered a message of community and divine encounter While the Dead drew on the teachings of many spiritual traditions the band's ethos echoed quite powerfully the wisdom of Christian Scripture This reflection examines the ways in which the Grateful

Dead embodied Christian teachings in areas of community praise and service The Grateful Dead left an enduring legacy whose power and longevity stem in significant part from the confluence of values between the Gospel and Grateful Dead
