Stroyar, 2002-02-07 This unputdownable alternative history novel explores what would have happened if the Nazis had won World War II perfect for fans of *The Man in the High Castle* and *Fatherland* Bad papers That's how Peter's nightmare began Living in contemporary Europe under Nazi domination more than fifty years after the truce among the North American Union the Third Reich and the Soviet Union Peter has struggled to make sense of the reign of terror that governs his world Now arrested for bearing a false identity he is pulled full force into a battle against Nazi oppression The crusade for freedom that belonged to generations past is now Peter's legacy and his future depends not on running away but on fighting back After escaping a Nazi prison camp and joining the Underground Home Army Peter dedicates himself to breaking down the system that betrayed him But by facing the evil at the heart of the Nazi political machine Peter falls deeper into a web of intrigue and adventure that risks everything he holds dear in this life and for the sake of future generations A disturbingly real vision of what could have been *The Children's War* is a page turning epic thriller with a mesmerizing premise and an unforgettable cast of characters J N Stroyar's searingly authentic impassioned vision of human triumph over the forces of corruption and cruelty stands as a powerful tribute to the millions who have sacrificed and died in the name of freedom *Analogical Reasoning* D.H.
