My Road to Recovery Bill Graybeal,2012-12-05 Celebrate your victories Be proud of yourself Dont be afraid to point your victories out to the devil No victory is a small one It takes winning the small battles to win the war Never look at how far you have to go and let it discourage you Always look at how far you have come and be encouraged to stay persistent and patient until you reach your goal Always remember obstacles are opportunities that will make us strong in the Lord Mistakes should be looked at as experience that we can use to reach the heights the Lord purposed

Perfecting Training Witness Lee,1990-06-01 According to Ephesians 4 11 16 we are first told that the gifts were given And He gave some apostles and some prophets and some evangelists and some shepherds and teachers This is the initial step then the result is unto the work of the ministry that is unto the building up of the Body of Christ How could the Body be built up By the growth in life Then out of the growth in life the function will come the operation in measure of each one part to

cause the growth of the Body unto the building up of itself in love Thus there is the initial stage and then there is the result Between these two ends is the perfecting of the saints If there is no perfecting of the saints all the gifts given by the Head become vain Also there will be nothing to cause the growth of the Body in life that functions may come out to build up the Body in love The crucial and central point in this portion of the Word is the perfecting of the saints Throughout the past years the Lord has been leading us in the ministry to perfect the saints for the growth in life so that the functions may come out to build up the Body in love
