Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo

Adam T. Smith

Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo:

The Thanksgiving Turkey Pardon, the Death of Teddy's Bear, and the Sovereign Exception of Guantanamo

Magnus Fiskesjö, 2003 Each Thanksgiving the president of the United States symbolically pardons one turkey from the fate of serving as a holiday dinner In this pamphlet anthropologist Magnus Fiskesj uncovers the hidden horrors of such rituals connected with the power of pardon from the annual turkey to the pardoning of the original Teddy Bear It is through these ritualized and perpetually remembered acts of mercy Fiskesj contends that we might come to understand the exceptional and troubling status of the War on Terror prisoners being held by the United States at Guant namo Bay In The Thanksgiving Turkey Pardon Swedish anthropologist Magnus Fiskesj see in the annual presidential reprieve of an otherwise doomed turkey something much more than a lark Just ask a vegetarian it s no joke It is really a symbolic pardoning act which through public performance establishes and manifests the sovereign s position at the helm of the state by highlighting his power to control matters of life and death That observation leads Fiskesj to some troubling thoughts on the exercise of U S sovereignty from Teddy Roosevelt s big stick era to the holding of prisoners at Guant namo Jennifer Howard Washington Post Book World

When Law Fails Charles J. Ogletree, Jr., Austin Sarat, 2009-01-01 Since 1989 there have been over 200 post conviction DNA exonerations in the United States On the surface the release of innocent people from prison could be seen as a victory for the criminal justice system the wrong person went to jail but the mistake was fixed and the accused set free A closer look at miscarriages of justice however reveals that such errors are not aberrations but deeply revealing common features of our legal system The ten original essays in *When Law Fails* view wrongful convictions not as random mistakes but as organic outcomes of a misshaped larger system that is rife with faulty eyewitness identifications false confessions biased juries and racial discrimination Distinguished legal thinkers Charles J Ogletree Jr and Austin Sarat have assembled a stellar group of contributors who try to make sense of justice gone wrong and to answer urgent questions Are miscarriages of justice systemic or symptomatic or are they mostly idiosyncratic What are the broader implications of justice gone awry for the ways we think about law Are there ways of reconceptualizing legal missteps that are particularly useful or illuminating These instructive essays both address the questions and point the way toward further discussion *When Law Fails* reveals the dramatic consequences as well as the daily realities of breakdowns in the law s ability to deliver justice swiftly and fairly and calls on us to look beyond headline grabbing exonerations to see how failure is embedded in the legal system itself Once we are able to recognize miscarriages of justice we will be able to begin to fix our broken legal system Contributors Douglas A Berman Markus D Dubber Mary L Dudziak Patricia Ewick Daniel Givelber Linda Ross Meyer Charles J Ogletree Jr Austin Sarat Jonathan Simon and Robert Weisberg

The Ethics and Rhetoric of Invasion Ecology James Stanescu, Kevin Cummings, 2016-10-26

The Ethics and Rhetoric of Invasion Ecology provides an introduction to the controversial treatment and ongoing violence routinely utilized against non native species Drawing from the tradition of critical animal scholars

Stanescu and Cummings have assembled a group of advocates who argue for a different kind of relationship with foreign species Where contemporary approaches often emphasize the need to eradicate ecological invaders in order to preserve delicate habitats the essays in this volume aim to reformulate the debate by arguing for an alternative approach that advances the possibility of an ethics of co habitation **Forgiveness, Mercy, and Clemency** Austin Sarat, Nasser Hussain, 2007 Arguments for forgiveness mercy and clemency abound These arguments flourish in organized religion fiction philosophy and law as well as in everyday conversations of daily life among parents and children teachers and students and criminals and those who judge them As common as these arguments are we are often left with an incomplete understanding of what we mean when we speak about them This volume examines the registers of individual psychology religious belief social practice and political power circulating in and around those who forgive grant mercy or pose clemency power The authors suggest that in many ways necessary examinations of the questions of forgiveness and pardon and the connection between mercy and justice are only just beginning **Guantanamo** Jana K. Lipman, 2008-12-02 Guant namo has become a symbol of what has gone wrong in the War on Terror Yet Guant namo is more than a U S naval base and prison in Cuba it is a town and our military occupation there has required more than soldiers and sailors it has required workers This revealing history of the women and men who worked on the U S naval base in Guant namo Bay tells the story of U S Cuban relations from a new perspective and at the same time shows how neocolonialism empire and revolution transformed the lives of everyday people Drawing from rich oral histories and little explored Cuban archives Jana K Lipman analyzes how the Cold War and the Cuban revolution made the naval base a place devoid of law and accountability The result is a narrative filled with danger intrigue and exploitation throughout the twentieth century Opening a new window onto the history of U S imperialism in the Caribbean and labor history in the region her book tells how events in Guant namo and the base created an ominous precedent likely to inform the functioning of U S military bases around the world **The End of Law** William E. Scheuerman, 2019-10-18 Scholarly and political interest in the work of the controversial twentieth century German thinker Carl Schmitt has exploded in the 20 years since William E Scheuerman s important book was first published However Scheuerman s work remains distinctive Firstly it focuses directly on Schmitt s complex ideas about law situating his views within broader debates about the rule of law and its fate The volume shows how every facet of his political thinking was decisively shaped by his legal reflections Secondly the volume takes Schmitt s Nazi era political and legal writings no less seriously Finally the volume offers a series of studies on figures in postwar US political thought Friedrich Hayek and Joseph Schumpeter demonstrating how Schmitt shaped their own influential theories This timely second edition underscores how and why the recent growth of interest in Schmitt has been prompted by political developments for example debates about counterterrorism and emergency government and the rise of authoritarian populism **The Culture of Exception** Bulent Diken, Carsten B. Laustsen, 2005-06-28 We live in an ever fragmenting society in which distinctions between culture and

nature biology and politics law and transgression mobility and immobility reality and representation seem to be disappearing This book demonstrates the hidden logic beneath this process which is also the logic of the camp Social theory has traditionally interpreted the camp as an anomaly as an exceptional site situated on the margins of society aiming to neutralize its failed citizens and enemies However in contemporary society the camp has now become the rule and consequently a new interrogation of its logic is necessary In this exceptional volume the authors explore the paradox of the camp as representing both an old fear of enclosure and a new dream of belonging They illustrate their arguments by drawing on contemporary sites of exemption such as refugee camps rape camps and favelas as well as sites of self exemption including gated communities party tourism and celebrity cultures *Unsettling Assumptions* Pauline Greenhill, Diane Tye, 2014-10-15 In *Unsettling Assumptions* editors Pauline Greenhill and Diane Tye examine how tradition and gender come together to unsettle assumptions about culture and its study Contributors explore the intersections of traditional expressive culture and sex gender systems to question investigate or upset concepts like family ethics and authenticity Individual essays consider myriad topics such as Thanksgiving turkeys rockabilly and bar fights Chinese tales of female ghosts selkie stories a noisy Mennonite New Year's celebration the Distaff Gospels Kentucky tobacco farmers international adoptions and more In *Unsettling Assumptions* folkloric forms express but also counteract negative aspects of culture like misogyny homophobia and racism But expressive culture also emerges as fundamental to our sense of belonging to a family an occupation or friendship group and most notably to identity performativity and the construction and negotiation of power **Mercy on Trial** Austin Sarat, 2009-02-09 On January 11 2003 Illinois Governor George Ryan a Republican on record as saying that some crimes are so horrendous that society has a right to demand the ultimate penalty commuted the capital sentences of all 167 prisoners on his state's death row Critics demonized Ryan For opponents of capital punishment however Ryan became an instant hero whose decision was seen as a signal moment in the new abolitionist politics to end killing by the state In this compelling and timely work Austin Sarat provides the first book length work on executive clemency He turns our focus from questions of guilt and innocence to the very meaning of mercy Starting from Ryan's controversial decision *Mercy on Trial* uses the lens of executive clemency in capital cases to discuss the fraught condition of mercy in American political life Most pointedly Sarat argues that mercy itself is on trial Although it has always had a problematic position as a form of lawful lawlessness it has come under much more intense popular pressure and criticism in recent decades This has yielded a radical decline in the use of the power of chief executives to stop executions From the history of capital clemency in the twentieth century to surrounding legal controversies and philosophical debates about when if ever mercy should be extended Sarat examines the issue comprehensively In the end he acknowledges the risks associated with mercy but he argues those risks are worth taking *A Companion to Werner Herzog* Brad Prager, 2012-03-30 *A Companion to Werner Herzog* showcases over two dozen original scholarly essays examining nearly five decades of filmmaking by one of the most acclaimed and

innovative figures in world cinema First collection in twenty years dedicated to examining Herzog s expansive career Features essays by international scholars and Herzog specialists Addresses a broad spectrum of the director s films from his earliest works such as Signs of Life and Fata Morgana to such recent films as The Bad Lieutenant and Encounters at the End of the World Offers creative innovative approaches guided by film history art history and philosophy Includes a comprehensive filmography that also features a list of the director s acting appearances and opera productions Explores the director s engagement with music and the arts his self stylization as a global filmmaker his Bavarian origins and even his love hate relationship with the actor Klaus Kinski

Did Lincoln Own Slaves? Gerald J. Prokopowicz,2009-01-06 In the bicentennial year of Lincoln s birth here is the one indispensable book that provides all you need to know about our most revered president in a lively and memorable question and answer format You will learn whether Lincoln could dunk a basketball or tell a joke Was he the great emancipator or a racist If he were alive today could he get elected Did he die rich Did scientists raise Lincoln from the dead From the seemingly lighthearted to the most serious Gerald Prokopowicz tackles each question with balance and authority and weaves a complete satisfying biography that will engage young and old scholars and armchair historians alike

Society and Social Changes through the Prism of Childhood Hanne Warming,2023-09-19 This book presents a new childhood studies research program namely Childhood Prism Research and offers unique childhood research contributions to the wider scholarly field Bringing together cutting edge childhood studies scholars from various disciplines including philosophy psychology feminism anthropology sociology and literature the book demonstrates the rich potential of this program and offers an introduction to the childhood prism theoretical framework as well as examples of childhood prism research Childhood prism research is underpinned by a distinct childhood studies approach that involves re thinking the generational order perspective and combining this with a relational ontology and a flat non adultist epistemology The key assumption is that the study of children s lives can offer not only insights into adults lives and vice versa but in some cases may even offer a privileged lens onto broader societal issues The program embraces a number of seemingly oppositional positions in an ongoing debate within childhood studies and children s geographies about how to reinvigorate theoretical thinking within these fields Featuring leading childhood studies scholars from various disciplines including philosophy psychology feminism anthropology sociology and literature this book demonstrates the rich potential of the program and shows how researching children s and young people s lives using this approach holds great promise for significant theoretical development beyond the field of children s geographies and childhood studies as well as for empirical exploration of broader societal issues Society and Social Changes Through the Prism of Childhood will be a key resource for academics researchers and advanced students of Childhood Studies Sociology Human Geography Social Sciences and Psychology The chapters included in this book were originally published as a special issue of Children s Geographies

The Play in the System Anna Watkins Fisher,2020-09-21 Acknowledging the difficulty for artists in the

twenty first century to effectively critique systems of power Anna Watkins Fisher theorizes parasitism a form of resistance in which artists comply with dominant structures as a tool for practicing resistance from within Stories from an Ancient Land Magnus Fiskesjö,2021-08-13 The Wa people have a rich civilization of their own and a deep history in the mountains of Southeast Asia Their mythology suggests their land is the first place inhabited by humans which they care for on behalf of the world This book introduces aspects of Wa culture including their approach to the world s troubles and the lessons others might learn from it It also presents a new interpretation of Wa headhunting questioning explanations that see it as a primitive custom and instead placing it within the fraught history of the last few centuries *The Political Machine* Adam T. Smith,2020-08-04 The Political Machine investigates the essential role that material culture plays in the practices and maintenance of political sovereignty Through an archaeological exploration of the Bronze Age Caucasus Adam Smith demonstrates that beyond assemblies of people polities are just as importantly assemblages of things from ballots and bullets to crowns regalia and licenses Smith looks at the ways that these assemblages help to forge cohesive publics separate sovereigns from a wider social mass and formalize governance and he considers how these developments continue to shape politics today Smith shows that the formation of polities is as much about the process of manufacturing assemblages as it is about disciplining subjects and that these material objects or machines sustain communities orders and institutions The sensibilities senses and sentiments connecting people to things enabled political authority during the Bronze Age and fortify political power even in the contemporary world Smith provides a detailed account of the transformation of communities in the Caucasus from small scale early Bronze Age villages committed to egalitarianism to Late Bronze Age polities predicated on radical inequality organized violence and a centralized apparatus of rule From Bronze Age traditions of mortuary ritual and divination to current controversies over flag pins and Predator drones The Political Machine sheds new light on how material goods authorize and defend political order **The Politics of Compassion** Michael Ure,Mervyn Frost,2014-01-10 This book provides a critical overview of the role of the emotions in politics Compassion is a politically charged virtue and yet we know surprisingly little about the uses and abuses of compassion in political environments Covering sociology political theory and psychology and with contributions from Martha Nussbaum and Andrew Linklater amongst others the book gives a succinct overview of the main theories of political compassion and the emotions in politics It covers key concepts such as humanitarianism political emotion and agency in relation to compassion as a political virtue The Politics of Compassion is a fascinating resource for students and scholars of political theory international relations political sociology and psychology *The Oxford Handbook of Film Theory* Kyle Stevens,2022 Poses timely questions about the state of cinema today Looks beyond canonical film theory and practitioners Revitalizes an essential part of the discipline s identity Offers provocative new arguments from leading film scholars Book jacket *Declarations of Dependence* Gregory P. Downs,2011-02-14 In this highly original study Gregory Downs argues that the most American of wars the Civil War created a seemingly un American

popular politics rooted not in independence but in voluntary claims of dependence Through an examination of the pleas and petitions of ordinary North Carolinians Declarations of Dependence contends that the Civil War redirected not destroyed claims of dependence by exposing North Carolinians to the expansive but unsystematic power of Union and Confederate governments and by loosening the legal ties that bound them to husbands fathers and masters Faced with anarchy during the long reconstruction of government authority people turned fervently to the government for protection and sustenance pleading in fantastic intimate ways for attention This personalistic or what Downs calls patronal politics allowed for appeals from subordinate groups like freed blacks and poor whites and also bound people emotionally to newly expanding postwar states Downs s argument rewrites the history of the relationship between Americans and their governments showing the deep roots of dependence the complex impact of the Civil War upon popular politics and the powerful role of Progressivism and segregation in submerging a politics of dependence that in new form rose again in the New Deal and persists today

Philosophy on Fieldwork Nils Bubandt, Thomas Schwarz Wentzer, 2022-07-29 How do we teach analysis in anthropology and other field based sciences How can we engage analytically and interrogatively with philosophical ideas and concepts in our fieldwork And how can students learn to engage critical ideas from philosophy to better understand the worlds they study Philosophy on Fieldwork provides show don t tell answers to these questions In twenty six master class chapters philosophy meets anthropological critique as leading anthropologists introduce the thinking of one foundational philosopher from a variety of Western traditions and beyond and apply this critically to an ethnographic case Nils Bubandt Thomas Schwarz Wentzer and the contributors to this volume reveal how the encounter between philosophy and fieldwork is fertile ground for analytical insight to emerge Equally the philosophical concepts employed are critically explored for their potential to be thought otherwise through their frictional encounter with the worlds in the field allowing non Western and non elite life experience and ontologies to speak back to both anthropology and philosophy This is a unique and concrete guidebook to social analysis It answers the critical need for a how to textbook in fieldwork based analysis as each chapter demonstrates how the ideas of a specific philosopher can be interrogatively applied to a concrete analytical case study The straightforward pedagogy of Philosophy on Fieldwork makes this an accessible volume and a must read for both students and seasoned fieldworkers interested in exploring the contentious middle ground between philosophy and anthropology Elgar Concise Encyclopedia of Law and Literature Robert Spoo, Simon Stern, 2025-01-09 The Elgar Concise Encyclopedia of Law and Literature surveys the intersection between two important fields of study Interdisciplinary in scope the volume showcases the many ways in which literary and legal methods and insights both converge and remain distinct

Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo Introduction

In the digital age, access to information has become easier than ever before. The ability to download Thanksgiving Turkey

Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo

Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo has opened up a world of possibilities. Downloading Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo Books

1. Where can I buy Thanksgiving Turkey Pardon The Death Of Teddys Bear And The Sovereign Exception Of Guantanamo books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
