That Sterling Soldier:

Medical Histories of Union Generals Jack D. Welsh, 2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease injured by accidents or suffered wounds This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War listing wounds accidents and deaths **The Soldier's Daughter** Andrew Cherry, 1818 *Death in Brooklyn* Natalio Feliciano, 2011-03-01 Crime is alive and well in Brooklyn Puerto Rican private detective Ramon Lull Lopez does his bit to reduce the crime rate and find a modicum of justice for the people living in the warrens of crime in the underbelly of Brooklyn To do this he goes against the Maffia Black Muslims rogue cops the Mossad a serial killer voodoo followers bank thieves and a slightly crazy little old lady He does all of this by maintaining a philosophical cool laid back attitude *Addresses and Speeches on Various Occasions: 1869-1879 [i. e. 1878]* Robert Charles Winthrop, 1886 **Addresses and Speeches on Various Occasions: 1878-1886** Robert Charles Winthrop, 1886 *Employment for Discharged Soldiers and Sailors* United States. Congress. House. Committee on Labor, 1919 *A History of the British Army* Sir John William Fortescue, 1912 *Report of the Royal Commission Appointed to Inquire Into the Recent Changes in the Relative Values of the Precious Metals* Great Britain. Royal Commission on Gold and Silver, 1887 *Opening New Markets* Walter S. Dunn Jr., 2002-05-30 After the conclusion of Pontiac s Uprising frontier trade reopened in 1765 Unfortunately for the colonists the renewed activity favored the French in Canada and Illinois and the British traders in Quebec and Montreal Only three British regiments were assigned to frontier duty an inadequate number of troops to enforce trade regulations against the French To keep the peace with local tribes the British army allowed the French to trade anywhere while colonial merchants were restricted to army trading posts Had the army been more astute in protecting colonial interests colonial merchants might have been more favorable toward paying taxes in support of military efforts Frontier commerce was a major component of the colonial economy ranking third in export behind tobacco and rice The European demand for fashionable broad brimmed beaver hats was the driving force that created turmoil on the frontier from 1765 to 1768 After the cession of Canada to Britain in 1763 the French obtained half the beaver pelt exports by forcibly diverting them from Quebec to New Orleans and then on to France This competition hurt wealthy colonial merchants in New York City and Philadelphia who blamed the British army and set the tone for the coming conflict

The Maps of Spotsylvania Through Cold Harbor Bradley M. Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His

presence complicated Meade's ability to direct his army but Grant promised to stay out of his way and give only strategic directives. This arrangement lasted through the Wilderness Campaign, the first action in what is now referred to as the Overland Campaign. This book continues the actions of both armies through the completion of the Overland Campaign. After the Wilderness fighting, the Army of the Potomac attempted to swing around the right flank of Gen. Robert E. Lee's Army of Northern Virginia and shoot straight for Richmond. The Confederate capital was never the goal; the move was intended to force Lee out into the open where the larger and well-stocked Union army could destroy it. The head of Lee's army blunted the enemy at Spotsylvania Court House where both sides dug in. Days and men were wasted on fruitless attacks until Col. Emory Upton designed an audacious strike that temporarily penetrated Lee's works. A much larger offensive against the Mule Shoe two days later tore the line open, destroyed a Rebel division, and triggered a long day of fighting. More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania, and again he swung around the Rebel right flank. The march ignited almost continuous fighting at the North Anna, Bethesda Church, and Cold Harbor, where this volume ends. This study includes the various cavalry actions, including those at Spotsylvania Court House, Yellow Tavern, Haw's Tavern, and Matadequin Creek. The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty-five map sets or action sections, enriched with 134 detailed full-page color maps. These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between. At least two and as many as ten maps accompany each map set. Keyed to each piece of cartography is a full-facing page of detailed footnoted text describing the units, personalities, movements, and combat, including quotes from eyewitnesses depicted on the accompanying map, all of which make the Spotsylvania story come alive. This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign, from the march to Spotsylvania to Cold Harbor. Serious students will appreciate the extensive and authoritative endnotes and complete order of battle. Everyone will want to take the book along on trips to these battlefields. Perfect for the easy chair or for stomping the hallowed ground, *The Maps of Spotsylvania through Cold Harbor* is a seminal work that belongs on the bookshelf of every serious student of the battle. **Lost Chords**

and Christian Soldiers Ian Bradley, 2013-07-22 Arthur Sullivan is best known as W. S. Gilbert's collaborator in the Savoy Operas. Sullivan was regarded as the nation's leading composer of sacred oratorios on a par with Mendelssohn and Brahms. Ian Bradley provides the first detailed comprehensive critical study and review of Sullivan's church and sacred music.

The Quartermaster Review, 1926 [The Confederate Hospitals of Madison, Georgia / their records & histories / 1861-1865](#) Bonnie P. (Patsy) Harris, 2014-07-01 Madison, Georgia, was a hopping place while it hosted three and later a fourth Confederate hospitals during the eight months before their final retreat in July 1864. Every few days the train depot was a flurry of activity as surgeons, attendants, and locals unloaded hundreds of sick and wounded soldiers fresh from the battles in Tennessee and North Georgia. Most of the records of their care were saved by the Director of Hospitals of the Army of

Tennessee and then ferreted out 140 years later by the author from collections scattered across many states This book includes verbatim transcriptions of those documents the subsequent hospital histories surgeon biographies and thousands of names in hundreds of regiments
