That Was Then:

That Was Then... Melody Carlson, 2010-04-21 This Is Now It's Kim's senior year and while everyone's looking forward to graduation she's got so much going on she can barely make it through the day Natalie pregnant with Benjamin O'Conner's baby believes it's God's will for them to marry and Ben sees it as his Christian responsibility to do so Major red flag He doesn't love her Then surprise Kim's birth mother in Korea sends her an intriguing letter making Kim question her reluctance to get to know another mom And what about Maya Is God calling Kim and her father to open their hearts and home to Kim's biracial cousin whose mother was just sentenced to five years in state prison Kim has been through so much already but that was then Does she have enough faith for now Saturday November 11 I've talked to Nat twice this week But only on the phone Both times she just glossed over what happened last weekend She told me everything was fine But without any details It was the kind of reassurance that isn't reassuring at all I know she's covering something up That was then Kim Peterson has had a lot going on the past few years writing a teen advice column finding a new faith dating and breaking up for the first time losing her mom to cancer Kim has learned to turn it all over to God day by day relying on Him like she never has before Now Kim's best friend Nat is pregnant and soon to be married to Ben O'Conner Caitlin's younger brother Nat is starry-eyed believing that once she and Ben are married God will bless them and everything will work out because they're doing the right thing Kim's not so sure Is marriage the only solution for two seventeen-year-olds with a baby on the way Why won't they consider adoption Kim knows about that firsthand and is about to find out even more Reader's guide included Story Behind the Book In book four Kim's life is still shadowed by the loss of her mother but her faith is deepening My best friend lost her mother to cancer in high school and I was very involved in counseling encouraging and praying with my friend as she worked through her grief That experience helped me write Kim's story from an insider's perspective Melody Carlson *That Was Then* M.K.
