Smart, strong, and a follower of the Jewish God, Lydia has nonetheless always quietly conformed to the expectations of the wealthy Roman society surrounding her. Even though married off at fifteen to a man she dislikes, she is determined to be a faithful wife. But when her husband is killed some years later, Lydia vows never to remarry and returns to her father's house in Thyatira with her twelve-year-old daughter. There, a new life begins to emerge. As she is trained in the family dye business, Lydia's shrewd management quickly creates profit, prestige, and envy. At odds with her jealous brother, who is a staunch Roman and can't understand her obsession with the Jewish religion, Lydia finds herself yet again at the mercy of a patriarchal society. Will fleeing to Philippi be enough to protect herself and those under her care? Will she keep her vow to widowhood when a handsome Greek God-fearer turns out to be more than just an employee? And when she meets a strange man named Paul, the apostle, by the river one Sabbath day, will Lydia have the courage to once more let her life be dramatically changed this time forever? Woman's Missionary Friend, 1900. *Women in the New Testament* Mary Ann Getty-Sullivan, 2017-06-15. Much of the history of women in religion, as in other fields, is lost because it was overlooked or considered unimportant. It is therefore surprising that so many fragments of women's stories survive in the New Testament texts composed by men. Why did they include so many references to women, and why are women as a group treated so positively by the male New Testament writers? *Women in the New Testament* shows how the stories of women are an integral part of the Gospel and its meaning for us. It also relays how we can respond to the challenge these women represent, whether we are men trying to

understand or women trying to find our voices within the tradition of faith found in the New Testament Chapter one discusses three women of expectant faith Chapters two and three deal with women who are changed by Jesus Chapter four focuses on New Testament women of influence Chapters five and six show how women disciples spread and gave shape to the gospel message Chapters are Women of Expectant Faith Women Changed by Jesus More Women Changed by Jesus Women of Prominence Women and Discipleship and More Women and Discipleship Mary Ann Getty Sullivan PhD teaches at St Vincent College and St Vincent Seminary Latrobe Pennsylvania She is the author of First and Second Corinthians from the Collegeville Bible Commentary series author of the God Speaks to Us series of children s books and editor of the Zacchaeus Studies New Testament series published by The Liturgical Press
