That Myriad Minded Man:

That Myriad Minded Man, 1976 *That Myriad-minded Man* Henry Summerfield, 1975 A full length annotated and referenced biography of Russell better known by his penname AE As well as being a mystic visionary poet artist pacifist and patriot he was also an economist journalist and ardent organizer of Sir Horace Plunkett's Irish Agricultural Organization Society for which he travelled through every county in Ireland talking to the farmers about the advantages of co operatives

The Great William Theodore Leinwand, 2016-05-02 A unique literary journey through seven great writers responses to Shakespeare including Virginia Woolf Allen Ginsberg John Keats and more No writer in the Western canon has been more influential on subsequent generations of writers than William Shakespeare In *The Great William* Theodore Leinwand explores how seven renowned writers Samuel Taylor Coleridge John Keats Virginia Woolf Charles Olson John Berryman Allen Ginsberg and Ted Hughes wrestled with this literary titan What emerges is a constellation of remarkable intellectual and emotional encounters Theodore Leinwand builds impressively detailed accounts of these writers experiences through their marginalia lectures letters journals and reading notes We learn why Woolf associated reading Shakespeare with her brother Thoby and what Ginsberg meant when referring to the mouth feel of Shakespeare's verse From Hughes's attempts to find a skeleton key to all of Shakespeare's plays to Berryman's tormented efforts editing *King Lear* Leinwand reveals the palpable energy and conviction with which these very different writers engaged with Shakespeare In uncovering these public and private reactions *The Great William* reveals the inspired insights intense vexations and profound admiration these writers experienced while reading Shakespeare A CHOICE Outstanding Academic Title Award winner *Allusions in Ulysses* Weldon Thornton, 1968 This comprehensive list of allusions found in James Joyce's modern classic *Ulysses* is in itself a classic and is a feat of literary scholarship of unprecedented magnitude In brief this book is a copiously annotated list of Joyce's allusions in such areas as literature philosophy theology history and the fine arts So awesome an undertaking would not have been possible without the prior work of such persons as Stuart Gilbert Joseph Prescott William York Tindall M J C Hodgart Mabel Worthington and many others But the present list is more than a compilation of previously discovered allusions for it contains many allusions that have never been suggested before as well as some that have only been partially or mistakenly identified in earlier publications In preparing this work the author has kept its usefulness to the reader foremost in mind He often refreshed the reader's memory in concerning the context of an allusion since its context in one sense or another is always the guide to its function in the novel The entire list is fully cross referenced and keyed by page and line to both the old and new Modern Library editions of *Ulysses* In addition the index is prepared in such a way that it indexes not only the List but also the novel itself The purpose of allusion in a literary work is essentially the same as that of all other types of metaphor the development and revelation of character structure and theme and when skillfully used it does all of these simultaneously Joyce's use of allusion is distinguished from that of other authors not by its purposes but by its extent and

thoroughness Ulysses involves dozens of allusive contexts all continually intersecting modifying and qualifying one another Here again Joyce s uniqueness and complexity lie not in his themes or characters nor in his basic methods of developing them but in his accepting the challenge of an Olympian use of his chosen methods The value of this volume to Joyce scholars and students is obvious however its usefulness to anyone who reads Ulysses is as great if not greater It can truly be the key to this difficult but rewarding novel *Mary Poppins, She Wrote* Valerie Lawson,2013-12-03 THE ONLY TRUE STORY BEHIND THE CREATOR OF MARY POPPINS The remarkable life of P L Travers the creator of Mary Poppins perfect for fans of the movie Mary Poppins Returns and the original Disney classic An arresting life Lawson is superb at excavating the details Library Journal The spellbinding stories of Mary Poppins the quintessentially English and utterly magical nanny have been loved by generations She flew into the lives of the unsuspecting Banks family in a children s book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the title role in Walt Disney s hugely successful and equally classic film But the Mary Poppins in the stories was not the cheery film character She was tart and sharp plain and vain She was a remarkable character The story of Mary Poppins creator as this definitive biography reveals is equally remarkable The fabulous English nanny was actually conceived by an Australian Pamela Lyndon Travers who came to London in 1924 from Queensland as a journalist She became involved with Theosophy traveled in the literary circles of W B Yeats and T S Eliot and became a disciple of the famed spiritual guru Gurdjieff She famously clashed with Walt Disney over the adaptation of the Mary Poppins books into film Travers whom Disney accused of vanity for thinking you know more about Mary Poppins than I do was as tart and opinionated as Julie Andrews s big screen Mary Poppins was cheery Yet it was a love of mysticism and magic that shaped Travers s life as well as the character of Mary Poppins The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson s illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters *Rabindranath Tagore* Krishna Dutta,Andrew Robinson,1997 This is a biography of Rabindranath Tagore who won the Nobel Prize in 1913 the first of only two Asian writers to do so Today he is highly regarded in Bengal He perceived that the ancient polarities of East and West would be compelled to meet in the 20th century An educational social political and religious reformer he wrote poetry short stories novels essays and plays and he painted and composed songs **History, Imperialism, Critique** Asher Ghaffar,2018-09-03 This book examines anti imperialist thought in European philosophy It features an international group of both emerging and established scholars who directly respond to Timothy Brennan s far reaching call to rethink intellectual histories literary histories and the reading habits of postcolonialism in relation to the anti imperialist tradition of critique Each contributor rethinks postcolonial and world literature Continental thought and intellectual history in relation to anti imperialist histories and traditions of critique through geographically diverse analysis This book provides a forum for the next generation of scholars to draw on and

engage with the marginal yet influential work of the first generation of dissidents within postcolonial studies It will appeal to researchers and students in the field of postcolonial studies world literature geography and Continental thought **After which All Things** George Woodward Warder,1895 *Incarnations* Sunil Khilnani,2017-01-12 For all of India s myths stories and moral epics Indian history remains a curiously unpeopled place In *Incarnations* Sunil Khilnani fills that space recapturing the human dimension of how the world s largest democracy came to be His trenchant portraits of emperors warriors philosophers film stars and corporate titans some famous some unjustly forgotten bring feeling wry humour and uncommon insight to dilemmas that extend from ancient times to our own **The Presbyterian Quarterly Review** Benjamin John Wallace,Albert Barnes,1857 **The Christian Parlor Magazine** ,1851 *Gems for the Fireside* ,1856 **The Christian Parlor Book** ,1851 **Camden's compliment to Walt Whitman, May 31, 1889, notes, addresses, letters, telegrams, ed. by H.L.
