*The Best American Poetry 2006* Billy Collins, 2008-06-17 A vivid anthology of poems filled with wit humor imagination and surprise selected by guest editor Billy Collins The seventy five poems in an array of styles and forms in this collection celebrate the pleasures of poetry from writers as varied as Laura Cronk to Reb Livingston With insightful comments from the poets illuminating their work and series editor David Lehman s thought provoking foreword *The Best American Poetry 2006* is a brilliant addition to a series that links the most noteworthy verse and prose poems of our time to a readership as discerning as it is devoted to the art of poetry     Saints of Hysteria David Trinidad, Denise Duhamel, Maureen

Seaton, 2007-03-06 Collaborative poetry poems written by one or more people grew out of word games played by French surrealists in the 1920s It was taken up a decade later by Japan s Vou Club and then by Charles Henri Ford who created the chainpoem composed by poets who mailed their lines all over the world After WW II the Beat writers collaborative experiments resulted in the famous Pull My Daisy The concept was embraced in the 1970s by feminist poets as a way to find a collective female voice Yet for all its rich history virtually no collections of collaborative poetry exist This exhilarating anthology remedies the omission Featured are poems by two four even as many as 18 people in a dizzying array of forms villanelles to ghazals sonnets to somonkas pantoums to haiku even quizzes questionnaires and other nonliterary forms

Collaborators notes accompany many of the poems giving a fascinating glimpse into the creative process     **International Who's Who in Poetry 2005** Europa Publications, 2004-08-02 The 13th edition of the International Who s Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today Containing biographies of more than 4 000 contemporary poets world wide this essential reference work provides truly international coverage In addition to the well known poets talented up and coming writers are also profiled Contents Each entry provides full career history and publication details An international appendices section lists prizes and past prize winners organizations magazines and publishers A summary of poetic forms and rhyme schemes The career profile section is supplemented by lists of Poets Laureate Oxford University professors of poetry poet winners of the Nobel Prize for Literature winners of the Pulitzer Prize for American Poetry and of the King s Queen s Gold medal and other poetry prizes     *Great Glasgow Stories* John
