*The Timeless Age of God* Russell Redden, 2009-03-17 A doctrine once common in Apostolic times unlocks the meaning of many Bible passages Ancient Jews Christians Gnostics and Greek philosophers believed that heaven is an unchanging place of timelessness the first dimension where creation began and will return at the end of time This book catalogs evidence of this theology throughout the Bible and numerous ancient texts Unknown to the majority of Christians the theology of two aeons is central to many Bible passages many of them related to the ascension of Christ The Son of Man ascended into the unchanging Spirit of God the Father who lives in heaven outside of time and space This knowledge was revealed to ancient Israel a testimony of Christ's priesthood many years before He walked the earth
