That We May Be One:

That We May Be One Rod R. Butterworth, 2021-02-21 This book is for the purpose of encouraging Christians and Churches in general to move toward the unity of fellowship and recognition of their oneness as members of the body of Christ This is a challenge to all believers who take seriously the desires expressed by Jesus Christ in John's Gospel chapter 17 Each verse of John 17 becomes a chapter in the book with additional chapters on Prayer and Fasting Be Filled With the Spirit and We Can Be the Church God Wants Us to Be Individual Christians will find their hearts challenged to come into a closer more intimate relationship with their Lord and Creator How revivals can begin and affect communities with the powerful presence of God is a theme throughout In view of the divisions that divide America in these 2020s this book is timely and can become a spark for much needed revival and healing of many wounds being suffered in both the Church and the secular world

That We May Be One Kebarileng Moleta, 2018-03-20 God desires oneness with the church and we are brought into oneness with God not through birth but through a marriage covenant God has offered His Son as the groom through which the church as His bride can be married back into the family of God The preparations for this marriage are ongoing and so we should know what to do to get ready for the big day That We May Be One will help the bride of Christ prepare for this magnificent wedding day and teach believers how to have the kind of zeal that brings them to oneness with God By preparing for this oneness with God the bride of Christ can build a desire to know God deeply and intimately Satan separated us from our Father but more and more today he is pushing us toward this sweet reunion in marriage At the end is the complete victory of the church over Satan so the time is now to prepare to join heaven as one with the Godhead We were originally created in the likeness of God but through our marriage with Christ He will receive us to become one with Him He gives a seed and expects it back to Him multiplied which is the love to the seed So He does also want us a lovely harvest *That They May All Be One*

Neal D.
