Who Wrote the Book of Love? Lee Siegel,2010-04-15 Who Wrote the Book of Love is acclaimed novelist Lee Siegel s comedic chronicle of the sexual life of an American boy in Southern California in the 1950s Starting at the beginning of the decade in the year that Stalin announced that the Soviet Union had developed an atomic bomb the book opens with a child s first memory of himself Closing at the end of the decade when Pat Boone s guide to dating Twixt Twelve and Twenty topped the bestseller list the book culminates just moments before the boy experiences for the first time what he had learned from a book read to him by his mother was called coitus or sexual intercourse or sometimes less formally just making love Between the initial overwhelmingly erotic recollection and the final climactic moment all is sex beguiling and intractable naughty and sweet Who Wrote the Book of Love is about the subversive sexual imaginations of children And as such it is about the origins of love Vignettes from the author s childhood provide the material for the construction of what is at once comic fiction imaginative historical reportage and an ironically nostalgic confession The book evokes the tone and tempo of a decade during which America was blatantly happy wholesome and confident and yet at the same time deeply fearful of communism and nuclear holocaust Siegel recounts both the cheer and the paranoia of the period and the ways in which those sentiments informed wondering about sex and falling in love Part of my plan Mark Twain wrote in The Adventures of Tom Sawyer has been to try to pleasantly remind adults of what they once were themselves and of how they felt and thought and talked With the same motive Lee Siegel has written what Twain might have composed had he been Jewish raised in Beverly Hills in the 1950s and joyously obsessed with sex and love **Jam** Yahtzee Croshaw,2012-10-23 We were prepared for an earthquake We had a flood plan in place We could even have dealt with zombies Probably But no one expected the end to be quite so sticky or strawberry scented Yahtzee Croshaw Mogworld Zero Punctuation Reviews returns to print with a follow up to his smash hit debut Jam a dark comedy about the one apocalypse no one predicted The hilarious new novel by the author of Mogworld Croshaw s Zero Punctuation Reviews is the most viewed video game review on the web For lovers of bizarre horror and unforgettable characters Croshaw is able to pull off slapstick comedy in print and that s no easy feat ComicsAlliance
