Faith Lies Darrell Smith,2019-01-08 Faith Lies 7 Incomplete Ideas

That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about satan made by different people from different places languages cultures and times we arrive at the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options

Case Studies of Human Creativity appleton schneider, 2010-10-09 She nursed through her nose. She spit up at and hit bugs. And as infant Judy grew up ohmygod. Exlax in the communion juice cooking Barbie a pet turtle discovering her gender etc. Creativity. Where does it come from? How do the parents teachers even scientific professionals deal with it so that potentials aren't suppressed? But also so those dealing with the ultra creatives aren't driven up the wall by the off the deep end things their kids do. There's serious subject matter in this tome especially the final speeches. But the plain preposterousness prior presented should be beneficial. Laughter is not only good medicine but also great therapy.

Call Me Uncle Tom? Lillian Thompson, 2018-08-10 Lillian Thompson has always wondered who she is and why she is here on Earth. While growing up during the 1960s in Cleveland Ohio and attending a Mennonite church she felt a responsibility to follow the beliefs her parents practiced daily. As the youngest of five children Lillian journeyed through early childhood without noticing racial differences. But when she began attending public school and found herself a minority Lillian began to slowly transform into a good girl at church and a bad girl on the streets. In her memoir Lillian describes a poignant and challenging coming of age journey in which she dutifully follows the word of God while being placed in several different situations that cause her to simultaneously question the meaning of love. After enduring sexual abuse by a neighbor's son Lillian wonders if she will ever find true love until she meets Morris. But when she becomes pregnant and later marries Morris she realizes that the way of life she has been following for years no longer holds its appeal. And so begins her pilgrimage to the truth. *Call Me Uncle Tom* shares one woman's story of how her faith in God was not only tested and shaped by her life.

experiences but also by racial and religious cultures in America
