Faber, The 1934 St Louis Cardinals were one of the most colorful crews ever to play the National Pastime Sportswriters delighted in assigning nicknames to the players based on their real or imagined qualities What a cast of characters it was None was more picturesque than Pepper Martin the Wild Horse of the Osage who ran the bases with reckless abandon led his team mates in off the field hi jinks and organized a hillbilly band called the Mississippi Mudcats He was quite a baseball player the star of the 1931 World Series and a significant contributor to the 1934 championship The harmonica player for the Mudcats was the irrepressible Dizzy Dean Full of braggadocio Dean delivered on his boasts by winning 30 games in 1934 the last National League hurler to achieve that feat Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series Some writers tried to pin the moniker Daffy on Paul but that name didn t fit the younger and much quieter brother The club s hitters were led by the New Jersey strong boy Joe Ducky Medwick who hated the nickname preferring to be called Muscles Presiding over this aggregation was the Fordham Flash Frankie Frisch Rounding out the club were worthies bearing such nicknames as Ripper Leo the Lip Spud Kiddo Pop Dazzy Ol Stubblebeard Wild Bill Buster Chick Red and Tex Some of these were aging stars past their prime and others were youngsters on their way up Together they comprised a championship ball club The Gas House Gang was the greatest baseball club I ever saw They thought they could beat any ballclub and they just about could too When they got on that ballfield they played baseball and they played it to the hilt too When they slid they slid hard There was no good fellowship between them and the opposition They were just good tough ballplayers Cardinals infielder Burgess Whitehead on When It Was A Game HBO Sports 1991 *Johnny Kling* Gil Bogen,2006-01-24 In the view of contemporary players and sportswriters Chicago Cub Johnny Kling was one of the greatest

catchers of all time A strong batter Kling was even better behind the plate where his strong arm quick reactions and even his chatter harried the opposition He was by all accounts an indispensable part of Cubs teams that won four National League pennants and two World Series titles between 1906 and 1910 Yet today he is remembered by historians as a player at the center of two unresolved questions Was Johnny Kling's absence from baseball in 1909 during the prime of his career the result of a salary holdout And was he Jewish This heavily researched biography ends the debate over those questions while restoring Kling to his place among the greats at his position It covers in detail his exploits on and off the field which included a world billiards championship in 1909 and his life after his playing career ended when he became a philanthropist and gentleman farmer The foreword is provided by Ernie Banks *Baseball in the Garden of Eden* John Thorn, 2012-03-20 Think you know how the game of baseball began Think again Forget Abner Doubleday and Cooperstown Did baseball even have a father or did it just evolve from other bat and ball games John Thorn baseball's preeminent historian examines the creation story of the game and finds it all to be a gigantic lie From its earliest days baseball was a vehicle for gambling a proxy form of class warfare Thorn traces the rise of the New York version of the game over other variations popular in Massachusetts and Philadelphia He shows how the sport's increasing popularity in the early decades of the nineteenth century mirrored the migration of young men from farms and small towns to cities especially New York Full of heroes scoundrels and dupes this book tells the story of nineteenth century America a land of opportunity and limitation of glory and greed all present in the wondrous alloy that is our nation and its pastime From publisher description *The NFL's 60-Minute Men* Chris Willis, 2024-03-15 In 2019 the NFL celebrated its 100th season During that historic year the league selected an All Time Team of 100 former star players Among them were seven from before football's free substitution rule 1920 1945 two way players who were skilled at both offense and defense They were Sammy Baugh Quarterback Dutch Clark Running Back Dan Fortmann Guard Mel Hein Center Cal Hubbard Tackle Don Hutson Wide Receiver and Bill Hewitt Defensive End There were more than just seven great players from those years when men in leather helmets played multiple positions on dirt fields for modest salaries This book ranks the NFL's top two way players with detailed biographies and analysis by their contemporaries **The Billy Goat Curse** Gil Bogen, 2008-12-31 In 1945 the most famous curse in sports was placed on the Chicago Cubs when Bill Sianis and his goat were ejected from Wrigley Field Though Sianis purchased two tickets for the fourth game of the World Series against Detroit the goat's stench led to the pair's ouster The indignant Sianis allegedly cursed the Cubs promising that they'd never again play in the World Series at Wrigley Field More than six decades later the team has yet to win a pennant There were years when fortune seemed to pluck defeat from the wings of sure victory The book focuses on the attitudes of players and fans as well as attempts to exorcise the curse It features photographs and interviews of former Cub players as well as a foreword by Hall of Fame shortstop Ernie Banks *Dutch Clark* Chris Willis, 2012-06-01 In 1963 17 charter members were inducted into the newly established Pro Football Hall of Fame Joining

the likes of Red Grange Bronko Nagurski George Halas and Sammy Baugh was Detroit Lions quarterback Dutch Clark A bona fide superstar for the NFL in the 1930s Clark led the Lions to success on the gridiron and helped establish the NFL in one of America's most passionate sports cities Throughout his seven year NFL career 1931 1932 1934 1938 Clark was selected first team NFL All Pro six times led the league in scoring three times was team captain of the Detroit Lions and helped the Lions win the 1935 NFL Championship in their second season in Detroit The triple threat star could do everything he could run he could pass and he could kick In Dutch Clark The Life of an NFL Legend and the Birth of the Detroit Lions Chris Willis tells the remarkable story of an athlete from a small town in Colorado who would become one of the NFL's greatest players To recount the story of this sports pioneer Willis had complete cooperation from the Clark family and unlimited access to personal letters the Dutch Clark Scrapbooks and family photos Appendixes include Clark's football statistics and a list of his honors and awards Supplemented with archival interviews never before seen photos newspaper quotes and anecdotes Dutch Clark tells the rags to riches story of one of the NFL's first stars Baseball's First Inning William J. Ryczek, 2014-11-29 This history of America's pastime describes the evolution of baseball from early bat and ball games to its growth and acceptance in different regions of the country Such New York clubs as the Atlantics Excelsiors and Mutuels are a primary focus serving as examples of how the sport became more sophisticated and popular The author compares theories about many of baseball's inventors exploring the often fascinating stories of several of baseball's oldest founding myths The impact of the Civil War on the sport is discussed and baseball's unsteady path to becoming America's national game is analyzed at length **The Originals** Murry Nelson, 1999 Was there really professional basketball before the NBA Indeed there was It was a rugged game but one that continued to evolve swiftly from its invention in 1891 The original Celtics were at the vanguard of this creation and development The team began as a local group of young Irishmen from the Hell's Kitchen area of New York City in 1914 Through shrewd acquisitions of top players they were transformed into the most powerful basketball team of their time In the period from 1919 to 1928 the Celtics won over seven hundred games with fewer than sixty losses This book chronicles the team the players the league seasons and the early era of professional basketball **A Locker Room of Her Own** David C. Ogden, Joel Nathan Rosen, 2013-05-14 Female athletes are too often perceived as interlopers in the historically male dominated world of sports Obstacles specific to women are of particular focus in A Locker Room of Her Own Race sexual orientation and the similar qualities ancillary to gender bear special exploration in how they impact an athlete's story Central to this volume is the contention that women in their role as inherent outsiders are placed in a unique position even more complicated than the usual experiences of inequality and discord associated with race and sports The contributors explore and critique the notion that in order to be considered among the pantheon of athletic heroes one cannot deviate from the traditional demographic profile that of the white male These essays look specifically and critically at the nature of gender and sexuality within the contested nexus of race reputation and sport The collection explores the reputations of iconic and

pioneering sports figures and the cultural and social forces that helped to forge their unique and often problematic legacies Women athletes discussed in this volume include Babe Didrikson Zaharias the women of the AAGPBL Billie Jean King Venus and Serena Williams Marion Jones Chris Evert and Martina Navratilova Sheryl Swoopes Florence Griffith Joyner Roberta Gibb and Kathrine Switzer and Danica Patrick
