**The 3000 year-old guide to parenting** Wes Haystead, 1994 Precious in His Sight Roy Check B. Zuck, 2012-05-11 Though numerous volumes have been written on human observations about children very few volumes present God's perspective on them as recorded in the Bible Precious in His Sight fills the gap admirably Not only is this volume unique it is also comprehensive The author covers all of the children in the Bible intensively studying the biblical text as well as incorporating insights from the best historical works on childhood and child rearing in ancient times The author's sensitivity to the cultural and sociological factors impinging on families in biblical times is everywhere apparent In order to appreciate what the book of Proverbs says about children for example one must understand how children were treated and viewed in other cultures during Old Testament times Everything the Bible says about children applies to contemporary childhood according to the author He finds biblical examples and abundant implications for children's physical emotional social and spiritual development The principles that can be garnered from this incisive work will help educators and parents in the teaching and training of children today *American Book Publishing Record*, 1991 *Sunday School Smart Pages* Wesley Haystead, Sheryl Haystead, 1992 Topics include discipline evangelism age level characteristics storytelling techniques art drama creative writing Additional resources include clip art mini posters and cartoons

**The Royal Family Bible ...**, 1862 *Parenting with Proverbs* Luke Gilkerson, Trisha Gilkerson, 2015-08-26 My son give me your heart and let your eyes observe my ways Proverbs 23:26 God has given parents a whole book of pithy powerful statements to correct children in the moment by moment situations of life The book of Proverbs is ideal for parenting because 1 Proverbs are short When you need to steer a child's behavior in the moment a short statement is best A proverb quickly anchors your thoughts on what needs to be corrected 2 Proverbs are memorable and quotable The Proverbs were written to be memorized and quoted aloud 3 Proverbs state the why not just the what Proverbs don't just say Stop it or Do this They say This is wise because 4 Proverbs are based on real life experiences Proverbs are rules of thumb general truths based on human experiences They are convincing because they summarize the collective experiences of many people from the past 5 Biblical proverbs are God's own words When you use Proverbs to teach and guide your children rather than pointing merely to your own authority you are pointing to God's authority *Parenting with Proverbs* offers parents a simple method to use biblical proverbs to teach and correct their children The book contains A detailed explanation of the Proverbs Method of teaching A catalogue of some of the most helpful proverbs categorized by topic A list of conversation questions that help parents engage their children with proverbial wisdom Pen and Plow, 1876
