The Life of Christian Stewardship, Book 3 Dallas Witmer, 1980-08-07 Book 3 of a 3 book course. This study of stewardship principles shows how the Christian should live in a pleasure-mad materialistic society. Refutes modernistic ideas with principles taught by the Master. Treats investments, riches, natural resources, time, talents, and more. Three books, eight lessons. *Stewardship* Rudolph Smith, 2013-09. Often when people think of stewardship they think primarily of money and don't understand that stewardship expands beyond the subject of money and finances; it is an inclusive concept for daily living. Thus *Stewardship: More than Money* is written from a biblical perspective to provide insights on the subject of stewardship that will hopefully bless individual Christians, church leaders, and others to gain a more holistic view of stewardship, one that encompasses the totality of life. Read and discover the true meaning of stewardship and that faithful stewards are the recipients of untold blessings from God. For ultimately we all must give an account of our stewardship before our Creator. Dr. Rudolph Smith, a retired pastor who established Community Church of God in Atlanta, GA, in 1966, is a revered teacher, preacher, and theologian; a magna cum laude graduate of the Interdenominational Theological Center (ITC) and recipient of the Doctor of Divinity degree from Warner Southern College and the Doctor of Humane Letters degree from Anderson University. He has over 60 years' experience in ministry, traveling extensively across the USA and the world; served as the Dean/Director of the In-Service Training Institute, 20 years; Associate Campaign Fund Director, 25 years; National Budget Chair, 10 years for the Church of God; and is the first recipient of the ITC Richardson Ecumenical Fellowship Distinguished Alumni of the Year Award. He and his wife reside in Atlanta, GA. **The Good Steward** Ivan. Amago, 2013-01-02. Stewardship is not a synonym for money. Unless that is recognized, understood, and accepted, we have not fully understood Biblical Stewardship. Biblical stewardship involves every aspect of life. Some people call it WHOLISTIC stewardship because it deals with the entire life of the person. The things about life can be summarized under these four categories: TIME, TALENT, TREASURE, and BODY TEMPLE. Therefore, stewardship is not a synonym for money. Unfortunately, many people, especially Christians, when they talk about stewardship, all they talk about is money. Yes, money is part of it, but it is only one-fourth (1/4) of it. It falls under TREASURE. You will learn about the four Ts of stewardship in this book. **The Life of Christian Stewardship, Book 1** Dallas Witmer, 1980-06-05. Book Two of a three-book series. This study of stewardship principles shows how the Christian should live in a pleasure-mad materialistic society. Refutes modernistic ideas with principles taught by the Master. Treats investments, riches, natural resources, time, talents, and more. Three books, eight lessons. Biblical Stewardship Alfred Martin, 2005-01-01. This book presents Biblical principles of good stewardship and man's relation to God in matters of life, time, and possessions.

Adventures in Stewardship Ralph Spaulding Cushman, 2025-05-22 *Adventures in Stewardship* by Ralph Spaulding Cushman originally published in 1919 explores the principles and practices of Christian stewardship in a practical and engaging manner Cushman delves into the idea of stewardship as a foundational aspect of Christian living emphasizing the importance of managing one's resources time talents and treasure in accordance with God's will Through insightful reflections and illustrative anecdotes Cushman encourages readers to view their lives as a sacred trust calling them to embrace a life of generosity service and devotion This timeless work is a valuable resource for those seeking to deepen their understanding of stewardship and its transformative power in shaping a life of purpose and meaning It is especially beneficial for church groups ministry leaders and individuals seeking to live out their faith more fully This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Stewardship of Life** Kirk Nowery, 2004

The Strategic Laws of Stewardship Kent Barnes Jr, 2020-01-07 *The Strategic Laws of Stewardship* is a practical resource of Biblical principles scriptural guidelines and divine perceptions designed to assist you in activating the financial freedom God intended you to live within through a Spiritual process of re-financing your financial mindset to recalibrate you for increase and economic freedom The purpose of this book is to eliminate the myths of stewardship and highlight the divine strategies of Financial Increase This book is designed to restore renew and restructure your knowledge and understanding of stewardship into a courageous execution of financial power and authority Within this book are powerful life-changing principles designed to activate the essential strategies for radical increase Radical increase demands radical risk The opportunities in life are often accessed through great risk The contents within this book will help you understand how to overcome financial mistakes and reveal the management required to live in radical increase It is the will of God that you and your family live debt free and prosperous I invite you to unbuckle your seat belt of normalcy take the safety off and journey into a world of Financial freedom and Radical Increase **Kingdom Stewardship Principles - Doing it God's Way!** Joseph B Samples, III, 2021-02-12 We all will have and have had our own experiences in life with money Unfortunately for many of us learn by trial and error We need to learn and know that money is not only a resource but it is a tool But it is a tool

that doesn't come with a manual. It is a tool that you will find in this world that many people use in different ways. The goal of this book is to share with you what God has to say to you about how to properly handle this tool we call money and how you can be a better steward of the resources that are available to you. I've heard it said that BIBLE stands for Basic Instructions Before Leaving Earth. Many of us are unaware of these basic instructions, especially when it comes to our finances. In the Bible, 16 of 38 parables Jesus taught are concerned with how to handle money and possessions. Many people believe that if I just made more money, that I could do better and be better off. It's not what you make, but more about what you do with what you make. It is my desire and goal with this book that you will become enlightened, more informed on how to be a better steward with what God has already blessed you with.
