The A Z Of Record Labels:

The A-Z of Record Labels Brian Southall, 2003 Since the earliest music companies began at the end of the 19th century many record labels have come and gone been taken over or merged Some have been owned by retailers DJs agents or managers others by artists or vast media electronics and film companies From A M Records to Motown to ZTT The A Z of Record Labels explores the colourful history of one of the most important aspects of popular music recording it From classical to soul jazz to rock folk to rap every record label has its own successes its own agenda and its own story Those stories are collected here in The A Z Of Record Labels offering an insight into one of the most important parts in the history of popular music *The A-Z of Record Labels* ,2003 **The Ultimate Guide to Independent Record Labels and Artists** Norman Schreiber, 1992 Record Companies in North America Specializing in Folk Music, Folklore and Ethnomusicology Kathleen Condon, 1982 **Punk Record Labels and the Struggle for Autonomy** Alan O'Connor, 2008-04-30 This book describes the emergence of DIY punk record labels in the early 1980s Based on interviews with sixty one labels including four in Spain and four in Canada it describes the social background of those who run these labels Especially interesting are those operated by dropouts from the middle class Other respected older labels are often run by people with upper middle class backgrounds A third group of labels are operated by working class and lower middle class punks who take a serious attitude to the work Using the ideas of French sociologist Pierre Bourdieu this book shows how the field of record labels operates The choice of independent or corporate distribution is a major dilemma Other tensions are about signing contracts with bands expecting extensive touring and using professional promotion There are often rivalries between big and small labels over bands that have become popular and have to decide whether to move to a more commercial record label Unlike approaches to punk that consider it as subcultural style this book breaks new ground by describing punk as a social activity One of the surprising findings is how many parents actually support their children s participation in the scene Rather than attempting to define punk as resistance or as commercial culture this book shows the dilemmas that actual punks struggle with as they attempt to live up to what the scene means for them **Record Label Marketing** Thomas William Hutchison, Amy Macy, Paul Allen, 2006 Record Label Marketing provides clear in depth information on corporate marketing processes combining marketing theory with the real world how to practiced in marketing war rooms This industry defining book is clearly illustrated throughout with figures tables graphs and glossaries Record Label Marketing is essential reading for current and aspiring professionals and students and also offers a valuable overview of the music industry Record Label Marketing Builds your knowledge base by introducing the basics of the marketing mix market segmentation and consumer behavior Gives you the tools necessary to understand and use SoundScan data and to successfully manage the budget of a recorded music project Presents vital information on label publicity advertising retail distribution and marketing research Introduces you to industry resources like NARM RIAA and the IFPI Offers essential marketing strategies including grassroots

promotion and Internet new media as well as highlighting international marketing opportunities Reveals how successful labels use video production promotional touring and special products to build revenue Looks to the future of the music business how online developments technological diffusion and convergence and new markets are continually reshaping the industry This guide is accompanied by a website www.recordlabelmarketing.com which offers interactive assignments to strengthen your knowledge as well as updates on the latest news industry figures and developments *The Indie Artist & Record Label Survival Kit* Quadir Selby, 2008-06-17 Every single resource that I have ever used to make it in the music business you will find in this book If you ever wanted to start your own indie label or just release a cd to gain attention from the major labels this is the book you need Complete radio contacts for your radio play contact hundreds of commercial mix show and college radio stations that will play your music and report it to billboard new music weekley and cmj magazines for your complete airplay report Even get your videos to promote your release on mtv bet much music canada and many more major video networks Your CD will be in all the major retail stores on the shelf with the likes of all your favorite artists fye virgin megastores best buy circuit city walmart itunes To this date I make about 200 000 dollars every year just releasing music on my own and now I want to show you how to do the same **Business Basics for Musicians** Bobby

the latest music video gaming media digital and mobile entertainment issues and trends **Without Frontiers: The Life & Music of Peter Gabriel** Daryl Easlea, 2018-03-23 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed Peter Gabriel has pursued several overlapping careers neither becoming a parody of his past self nor self consciously seeking new images he instead took his creativeness and perfectionism into fresh fields In 1975 he diversified into film soundtracks and audio visual ventures while engaging in tireless charity work and supporting major peace initiatives He has also become world music s most illustrious champion since launching WOMAD festival These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken countless hours of interviews with key friends musicians aides and confidants Updated and revised for 2018 Without Frontiers gets to the heart of the psychological threads common to so many of Gabriel s disparate endeavours and in the end a picture emerges an extraordinary picture of an extraordinary man Extra features include integrated Spotify playlists charting the best of Genesis output with Peter Gabriel as well as an interactive digital timeline of his life filled with pictures and videos of live performances interviews and more The peculiar white lipped dynamic between Gabriel and his erstwhile Charterhouse chums in Genesis is vividly evoked Record Collector A truly wonderful biography of one of the most amazing artists of our time Highly recommended Douglas Harr author of Rockin the City of Angels **Billboard** , 1998-02-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** , 1969-08-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Gathered From Coincidence Tony Dunsbee, 2015-03-01 Combining the personal memories and critical analysis of a self confessed pop addict with a wealth of contemporary documentary evidence Gathered From Coincidence reconstructs a truly momentous era to tell the story of the music of the Sixties year by year By tracing in parallel the origins and development of the recording careers of major talents on both sides of the Atlantic the Beatles the Rolling Stones the Beach Boys Bob Dylan Dusty Springfield and many more besides this account shows how they traded creativity with one another All the great Sixties hits as well as a host of less well known gems are described in the context of the charts of the day tracking the ups and downs of different trends as they came and went such as rock n roll rhythm blues psychedelia modern folk the concept album or supergroups But beyond this each chapter also places the music in a broader historical and cultural setting of landmark events at home and abroad the space race the Profumo affair the Cold War Vietnam the growth of satire to show how as the decade unfolded the paths of pop and current affairs drew ever closer together If you thought the Sixties were just about the fleeting dreams of hippies in the

Summer of Love then think again This book will open your eyes to a far reaching imaginative legacy and how it came to shape pop music as a dazzling art form in its own right Billboard ,2002-06-29 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
