The Abcs Of Collaborative Change The Managers Guide To Library Renewal:

The ABCs of Collaborative Change Kerry David Carson, Paula Phillips Carson, Joyce Schouest Phillips, 1997-06-01 The renewed library is a patron's first service enterprise The ABCs of Collaborative Change prescribes the steps for moving from traditional to renewed library including planning implementing and surviving change This process is one that involves all staff helping them to buy into the renewal Positive change and transformation can take place only when everyone in the library organization is involved in planning and implementing change initiatives The best approach is through collaborative change involvement and participation of all who will be affected The ABCs of Collaborative Change offers a clear road map to implementing change through positive initiatives that involve all staff The ABCs of collaborative change are Achieving the renewal Building the foundation for renewal and Cementing the renewal Renewal of the library is dependent on how change is implemented on who is involved and on staff working together through each step The ABCs of Collaborative Change tells how to get there from here

Collaborative Electronic Resource Management Joan E. Conger, 2004-11-30 Electronic resource management is becoming a primary responsibility of library managers This book approaches electronic resource management as a system affecting all library work linking it to concepts of collaborative management and the assessment cycle The author demonstrates how collection development acquisitions licensing budgeting and cataloging techniques technological infrastructure and user services for electronic resources fit into the new collaborative management that relies on learning more than control to respond to change The techniques presented for managing electronic resources improves the library's service value through relationships between library professionals and with library customers Engaging the librarian in a cycle of constant learning and assessment the approach ultimately makes work lighter relationships with colleagues and customers more productive and library services more relevant to community needs

The Practical Library Manager Ruth C Carter, Bruce E Massis, 2013-04-15 Examine the nuts and bolts of successful management in today's rapidly evolving libraries This book is an essential primer for new library managers and directors In addition to providing an overview of the practical aspects of management it is a vital reference tool for managing your library and its staff The Practical Library Manager's informative text and comprehensive bibliographies of print and electronic resources can guide you to solutions to the issues that every fledgling library manager must deal with upon appointment While there are many publications on library management The Practical Library Manager is one of very few to focus on the practical issues of staffing and the importance of continuous staff training Also unlike other books on the subject this book features a chapter that points you to relevant management texts originally written for the corporate world rather than the library profession The Practical Library Manager is the perfect single source to help you understand the challenges of staffing your library and training your staff explore new technology's impact on library workers and evaluate training programs to help them keep up

ensure that your staff has the core competencies they'll need in the current climate build a virtual library decide whether your library should join a consortium and much more In the words of the author Today the most successful libraries in the country are those addressing the needs of both external and internal customers However it takes more than technology to change the working relationship between the institution and its customer The guiding force for change must include a strong and respectful relationship between the library manager and staff Much of what is written in this book can assist the fledgling manager in creating an environment of trust teamwork and respect

Library Evaluation Danny P. Wallace, Connie J. Van Fleet, 2001-01-15 Bringing together library and information science faculty and practicing library managers this work combines some of the most exciting concepts and methodologies of library evaluation with the practical experiences of those working in the field A variety of approaches e.g. focus groups TQM are thoroughly described then illustrated with actual case studies These cases can serve as inspiration and models to library managers and other individuals responsible for evaluation as well as to those who aspire to library management positions

Growth, Creativity, and Collaboration Patricia Sheldahl French, Margaret Mering, 2021-06-23 The leading papers from the leading authorities in library serials Over the past few years electronic journals have flourished to become an integral part of a modern library system The challenges of licensing financing developing managing and delivering seamless and integrated access are topics of crucial importance Growth Creativity and Collaboration Great Visions on a Great Lake tackles these issues through this compilation of thought provoking papers on the future of serial publications from the 2004 North American Serials Interest Group NASIG's nineteenth annual conference which took place on the shore of Lake Michigan in Milwaukee Wisconsin Growth Creativity and Collaboration presents visionary experts who analyze the past present and promising future of library serials The wide variety of stimulating topics include various aspects of electronic resources financial issues facing the publication of serials collaboration with vendors to assist in the development of new products and services and the challenges and successes of librarians dealing with serial collection development and management Tables and figures enhance the clarity of ideas and the chapters are impeccably referenced Growth Creativity and Collaboration Great Visions on a Great Lake discusses the role of libraries in the world the Big Deal the evolution of alternative publishing the economics of scholarly publishing the specifics of making journals print versus electronic publishing economics strategies to support Tier 3 publishers systems and standards in electronic resource management licensing issues for electronic products pricing models the hidden costs of e-journals the Hofstra University serial review process changes and access problems with e-journals vendor collaboration to create the products you want faculty collaboration in serials collections development and management understanding and implementing context sensitive linking services understanding and using your usage statistics creative strategies to cope with your subscription agent's bankruptcy resolution of license breaches Growth Creativity and Collaboration Great Visions on a Great Lake creatively addresses the many issues involving any library's

handling of electronic resources This eye opening resource is perfect for librarians publishers and commercial vendors interested in the future of serial publication Resources in Education ,2001-04 **Academic Library Metamorphosis and Regeneration** Marcy Simons,2017-11-08 Academic Library Metamorphosis and Regeneration continues the discussions around change and transformation that are taking place in the library profession today Academic libraries are undergoing change at a remarkable rate and have been through transitions that were unthinkable before disruptive technology changed everything For academic libraries changes in higher education scholarly communication and user expectations are driving a continuous need to adjust transform and re create ourselves This book explores the changes that led us to where we are today reviews academic libraries that have transformed and offers suggestions for those who are beginning a change process
