

An open Bible is shown from a top-down perspective, lying flat on a dark, textured surface. The pages are aged and yellowed, with some text visible but mostly obscured by the overlay. To the right of the open Bible, a closed book with a dark cover and a light-colored spine is partially visible. The overall lighting is soft and focused on the books.

David C. Cook

The Abf Adult Bible Fellowships Effective Adult Sunday School Classes For Growing Churches:

Building a Church of Small Groups Bill Donahue, Russ Robinson, 2001 This book provides pastors and church leaders with the vision values and initial steps necessary to begin building a church where small groups are integrated throughout the entire ministry

Creating Community Andy Stanley, Bill Willits, 2004-12-31 Five keys to building a small group culture that fosters meaningful lasting connections within your church community Small groups are the key to impacting lives in your church But a healthy small group environment doesn't just happen So pull up a chair Let's talk about how to make it happen Bill Willits and bestselling author Andy Stanley share their successful approach which has resulted in nearly eight thousand adults becoming involved in small groups at North Point Community Church in Atlanta Simply put the five principles have passed the test This is not just another book about community this is a book about strategy strategy that builds a small group culture Creating Community shares clear and simple principles to help people connect into meaningful relationships The kind that God desires for each of us and that He uses to change our lives Put this proven method to work in your ministry and enjoy the tangible results God's people doing life TOGETHER The small group program at North Point Community Church is not an appendage it is not a program we tacked on to an existing structure It is part of our lifestyle We think groups We organize groups We are driven by groups Creating Community contains our blueprint for success And I believe it has the potential power to revolutionize your own small group ministry Andy Stanley

The Seven Deadly Sins of Small Group Ministry Bill Donahue, Russ G. Robinson, 2009-08-30 Assessment and solution for seven common obstacles to building small groups It's one thing to start a small group ministry It's another to keep the groups in your church healthy and headed in the same direction Whatever your church's approach maybe whether it is a church with groups or of groups sooner or later as a leader you'll need to do some troubleshooting That's when the expert to the point guidance in this book will prove its worth The beauty of this book lies in its unique diagnostic process It allows you to assess diagnose and correct seven common deadly sins that can drain the life from your church's small group ministry In The Seven Deadly Sins of Small Group Ministry what would take you years to learn through trial and error is distilled into some of the most useful information you can find Drawing on the knowledge they've gleaned from working inside Willow Creek Community Church from consulting with hundreds of churches and from conducting conferences and seminars worldwide small group experts Bill Donahue and Russ Robinson furnish you with proven real life solutions to the toughest problems in your small group ministry This is not theory it is hands on material you can read and apply today

Points of Connection Joshua A. Stone, 2024-04-19 Points of Connection Realizing the Potential for Improving the Church Membership Process Church member assimilation is key to growth for the Christian and has been particularly difficult for many churches since the recent

pandemic A highly assimilated church is a church where all members are encouraged in tangible ways in their walk with Jesus Christ as their personal Savior by embodying the great apologetic but speaking the truth in love we are to grow up in all aspects into Him who is the head that is Christ from whom the whole body being fitted and held together by what every joint supplies according to the proper working of each individual part causes the growth of the body for the building up of itself in love Ephesians 4 15 16 NASB 2020 Using a structured program evaluation the author sought to gain insight from new church members by interviewing a cross section of new members who had joined within a two year period Participants included a diverse group of church members including younger adults single adults married adults seasoned believers and new believers ensuring that all demographics of the church family were represented The participants interviewed had ample time to assimilate prior to the interviews The end goal was to determine why some members might not be assimilating well since joining the church and to get more members on the path to discipleship and service and connection to the local body of Christ through participatory membership The responses identified ways that the church can reach more people increase engagement and move people along to serving well as fully assimilated members In a supported effort to assimilate church members well this book will showcase a streamlined process of walking new members through the process of assimilation by helping them to connect with other believers with church leadership and with areas of service where they may employ their spiritual gifts This book may serve as a guided resource for pastors church staff members and leaders in the church as they help new members to find points of connection within the church
