life In London's work the imagination is figured as a ghost or as a ghostlike presence and the author's personas who form a dense population among his characters are portrayed as haunted or troubled in some way Along with examining the functions and works of London's exhaustive imagination Williams takes a critical look at London's ability to tell his stories to wide arrays of audiences stitching incidents together into coherent wholes so they became part of a raconteur's repertoire Author Under Sail provides a multidimensional examination of the life of a crucial American storyteller and essayist *America, History and Life*, 1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *The Way of the Sea* Roald Kverndal, 2008-01-01 The sea has been both a source of bounty and a bridge of communication through the ages The Way of the Sea explores the unique role of seafarers in promoting the revealed plan of the Creator and Redeemer of both land and sea As a follow up to The Seamen's Mission Kverndal's comprehensive survey of maritime mission presents both historical and current perspectives While The Way of the Sea provides a much needed tool for the developing field of maritime Missiology people from all walks of life will learn from the rich history and culture of kingdom minded seafarers Captain "Hell Roaring" Mike Healy Dennis L.
