The Assyrians And Their Neighbours:

The Assyrians and Their Neighbours William Ainger Wigram, 1929 *The Assyrians and Their Neighbours*, by the Rev. W. A. Wigram,... William Ainger Wigram (Rév.), 1929 **The Assyrians and Their Neighbours, Etc. [With Plates and a Map.].** William Ainger WIGRAM, 1929 **The Tragedy of the Assyrian Minority in Iraq** R.S. Stafford, 2013-10-28 First published in 2005 This fascinating account written by a British Army officer serving in Iraq describes a little known ethnic minority in that country The Assyrians like other minorities in the area lived across many modern national boundaries Unlike other ethnic groups they were distinct and usually well off Their land became Christianized and after the end of the British mandate in Iraq in 1932 it was revealed that the Assyrians were being persecuted by the Moslems The survivors of the Assyrians a once great people and a once great Christian Church lived in the Hakkari mountains in the north eastern part of Iraq [The Church of the East](#) Christoph Baumer, 2016-09-05 The so called Nestorian Church officially known as the Apostolic Assyrian Church of the East with its See in Baghdad was one of the most significant Christian communities to develop east of the Roman Empire In its heyday the Church had 8 million adherents and stretched from the Mediterranean to China Christoph Baumer is one of the very few Westerners to have visited many of the most important Assyrian sites and has written the only comprehensive history of the Church which now fights for survival in its country of origin Iraq and is almost forgotten in the West He narrates its rich and colorful trajectory from its apostolic beginnings to the present day and discusses the Church's theology christology and uniquely vigorous spirituality He analyzes the Church's turbulent relationship with other Christian churches and its dialogue with neighboring world religions such as Zoroastrianism Manichaeism Islam Buddhism and Taoism Richly illustrated with maps and over 150 full color photographs the book will be essential reading for those interested in a fascinating but neglected Christian community which has profoundly shaped the history of civilization in both East and West **Reforging a Forgotten History: Iraq and the Assyrians in the Twentieth Century** Sargon Donabed, 2015-02-01 Who are the Assyrians and what role did they play in shaping modern Iraq Were they simply bystanders victims of collateral damage who played a passive role in the history of Iraq And how have they negotiated their position throughout various periods of Iraq's state building processes This book details the narrative and history of Iraq in the 20th century and reinserts the Assyrian experience as an integral part of Iraq's broader contemporary historiography It is the first comprehensive account to contextualize this native people's experience alongside the developmental processes of the modern Iraqi state Using primary and secondary data this book offers a nuanced exploration of the dynamics that have affected and determined the trajectory of the Assyrians experience in 20th century Iraq **Ancient and Modern Assyrians** George V. Yana, 2008-04-10 Some scholars have doubted or denied the continuity of the Assyrian people from the times of empire to the present time This work based on a scientific analysis sheds light on the subject and demonstrates the continuous existence of the Assyrian people Assyria northern Iraq was a state grouped about

the heavily fortified city of Ashur on the middle of the Tigris River Assyrians had become civilized in the third millennium BC under the impetus of Mesopotamian development They created the first empire known to history that was run by an empire administration The empire created by Sargon Sharukin much earlier in the third millennium did not have an administration to hold it together Toward the close of the Bronze Age 1700 1200 BC Assyria had expanded westward to the middle of the Euphrates River and in the south they held Babylon temporarily Tiglat Pileser I 1114 1076 extended Assyrian rule to the Mediterranean But Adadnirari II 911 891 BC may be called the father of Assyrian imperial administration Empire building was a necessity of economic development which was based on the technological advances caused by the introduction of iron and the alphabet International trade was necessary for the growth of industry and manufacture and the Assyrians became the tools to carry out this historic economic necessity The Assyrian army was the first army to use iron arms The Assyrian Empire was defeated in 612 BC by an alliance of Medes an Iranian people Persians Iran Babylonians and Cythians Since then Assyria has been governed by Persians Greeks Arabs and Turks The Assyrians were the first non Jewish people to accept Christianity and since then Christianity has become their identity They burned all their ancient books that reminded them of their pagan kings Thus with time a dark cloud was cast over their memories that separated them from their glorious past But now and then there were sparks from the remote past that testified to the persistence of memory Only recently has the full national awareness been restored There are still scholars who doubt or deny any link between the ancient and the Modern Assyrians They argue that the Assyrians were all massacred during the destruction of their empire This book sets out to demonstrate that the Assyrians were not all massacred during the destruction of their country in 612 BC and that they emerged as a Christian people in Assyria northern Iraq and the neighboring countries
