The Christian Scholar Adron Doran, J. E. Choate, 2001-10-01 **The Christian Scholar** Adron Doran, Julian Ernest Choate, 1985-01-01 The Encyclopedia of the Stone-Campbell Movement Douglas A. Foster, 2004 Over ten years in the making *The Encyclopedia of the Stone Campbell Movement* offers for the first time a sweeping historical and theological treatment of this complex vibrant global communion Written by more than 300 contributors this major reference work contains over 700 original articles covering all of the significant individuals events places and theological tenets that have shaped the Movement Much more than simply a historical dictionary this volume also constitutes an interpretive work reflecting historical consensus among Stone Campbell scholars even as it attempts to present a fair representative picture of the rich heritage that is the Stone Campbell Movement **BOOK JACKET** **The Churches of Christ** Richard T. Hughes, 2001-05-30 This volume tells the story of the Churches of Christ one of three major denominations that emerged in the United States from a religious movement led by Alexander Campbell and Barton W Stone in the early 19th century Beginning as an effort to provide a basis on which all Christians in America could unite the leaders of the movement relied on the faith and practice of the primitive church Ironically this unity movement eventually divided precisely along the lines of its original agenda as the Churches of Christ rallied around the restorationist banner while the Disciples of Christ gathered around the ecumenical cause Yet having begun as a countercultural sect the Churches of Christ emerged in the 20th century as a culture affirming denomination This brief history together with biographical sketches of major leaders provides a complete overview of the denomination in America The book begins with a concise yet detailed history of the denomination s beginnings in the early 19th century Tracing the influence of such leaders as Stone and Campbell the authors chronicle the triumphs and conflicts of the denomination through the 19th century and its reemergence and renewal in the 20th century The biographical dictionary of leaders in the Churches of Christ rounds out the second half of the book and a chronology of important events in the history of the denomination offers a quick reference guide A detailed bibliographic essay concludes the book and points readers to further readings about the Churches of Christ **Discipliana** ,1993 *Christian Faith and Life* ,1910 *A Case Study of Mainstream Protestantism* D. Newell Williams, 1991 A comprehensive study looks at the Disciples past present and visions for the future with a wealth of historical sociological statistical and theological information pb *Disciples and the Bible* M.
