The 27 Series Course 3 The Ministering Disciple:

John (Understanding the Bible Commentary Series) J. Ramsey Michaels, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **St. Mark: intr., authorized version, revised version with notes, index and map, ed. by S.D.F. Salmond** Mark (st), 1902 St. Mark James Vernon Bartlet, 1922 **Peloubet's Select Notes on the International Bible Lessons for Christian Living** Alice Peloubet Norton, 1899 Theological Wordbook John F. Walvoord, Donald Cambell, John A. Witmer, 2000-10-17 Stimulating theology is an oxymoron for most people Theology sounds like something for the severely intellectual full of complicated ideas that escape the typical Christian reader In reality theology is meant to enhance our understanding of God Most of the words that make up the Christian vocabulary are common words drawn from the realities of life and therefore are easily applicable to real life Based on this premise four leading authors have come together to create this excellent volume The Theological Wordbook tackles tough words such as propitiation regeneration righteousness and predestination but it does so in a natural plain spoken manner designed to be enlightening rather than evasive Also literally dozens of words you are likely to use every day such as forgiveness mind peace rest family truth and guilt have profound biblical value Using The Theological Wordbook can enable you to more fully appreciate what the Bible teaches on these crucial topics and how each of these terms is relevant for life today As this happens your understanding of God will expand And as the words you use speak and hear in the community of faith become more familiar you will become more connected to your own spiritual heritage The Theological Wordbook is the link between understanding God's Word in your head and accepting it in your heart *The Gospel of Luke* I. Howard Marshall, 1978-11-14 Marshall's study of the Gospel of Luke is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament Each volume provides thorough exegesis on the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context
