The ABC History of Washington State JoAnne Nelson,1990 *The ABCs of Asian American History* Renee Macalino
Rutledge,2023-03-28 A Simon Schuster eBook Simon Schuster has a great book for every reader **The Natural History of Puget Sound Country** Arthur R. Kruckeberg,1991 Winner of the Pacific Northwest Booksellers Award Bounded on the east by the crest of the Cascade Range and on the west by the lofty east flank of the Olympic Mountains Puget Sound terrain includes every imaginable topographic variety This thoughtful and eloquent natural history of the Puget Sound region begins with a discussion of how the ice ages and vulcanism shaped the land and then examines the natural attributes of the region flora and fauna climate special habitats life histories of key organisms as they pertain to the functioning ecosystem Mankind's effects upon the natural environment are a pervasive theme of the book Kruckeberg looks at both positive and negative aspects of human interaction with nature in the Puget basin By probing the interconnectedness of all natural aspects of one region Kruckeberg illustrates ecological principles at work and gives us a basis for wise decision making The Natural History of Puget Sound Country is a comprehensive reference invaluable for all citizens of the Northwest as well as for conservationists biologists foresters fisheries and wildlife personnel urban planners and environmental consultants everywhere Lavishly illustrated with over three hundred photographs and drawings it is much more than a beautiful book It is a guide to our future **ABC Books and Activities** Cathie Hilterbran Cooper,1996 A creative guide to over 5000 alphabet books with activities games and projects that can be used with ABC books Oral History, Community, and Work in the American West Jessie L. Embry,2013-10-03 Nurses show girls housewives farm workers casino managers and government inspectors together these hard working members of society contributed to the development of towns across the West The essays in this volume show how oral history increases understanding of work and community in the twentieth century American West In many cases occupations brought people together in myriad ways The Latino workers who picked lemons together in Southern California report that it was baseball and Cinco de Mayo Queen contests that united them Mormons in Fort Collins Colorado say that building a church together bonded them together In separate essays African Americans and women describe how they fostered a sense of community in Las Vegas Native Americans detail the Indian economy in Northern California As these essays demonstrate the history of the American West is the story of small towns and big cities places both isolated and heavily populated It includes groups whose history has often been neglected Sometimes western history has mirrored the history of the nation at other times it has diverged in unique ways Oral history adds a dimension that has often been missing in writing a comprehensive history of the West Here an array of oral historians including folklorists librarians and public historians record what they have learned from people who have in their own ways made history *A State-by-State History of Race and Racism in the United States* Patricia Reid-Merritt,2018-12-07 Providing chronologies of important events historical narratives from the first settlement to the present and biographies of

major figures this work offers readers an unseen look at the history of racism from the perspective of individual states From the initial impact of European settlement on indigenous populations to the racial divides caused by immigration and police shootings in the 21st century each American state has imposed some form of racial restriction on its residents The United States proclaims a belief in freedom and justice for all but members of various minority racial groups have often faced a different reality as seen in such examples as the forcible dispossession of indigenous peoples during the Trail of Tears Jim Crow laws crushing discrimination of blacks and the manifest unfairness of the Chinese Exclusion Act Including the District of Columbia the 51 entries in these two volumes cover the state specific histories of all of the major minority and immigrant groups in the United States including African Americans Hispanics Asian Americans and Native Americans Every state has had a unique experience in attempting to build a community comprising multiple racial groups and the chronologies narratives and biographies that compose the entries in this collection explore the consequences of racism from states perspectives revealing distinct new insights into their respective racial histories [50 Events That Shaped African American History](#) Jamie J. Wilson, 2019-09-19 This two volume work celebrates 50 notable achievements of African Americans highlighting black contributions to U S history and examining the ways black accomplishments shaped American culture This two volume encyclopedia offers a unique look at the African American experience from the arrival of the first 20 Africans at Jamestown through the launch of the Black Lives Matter movement and the Ferguson Protests It illustrates subjects such as the Jim Crow period the Brown v Board of Education case that overturned segregation Jackie Robinson s landmark integration of major league baseball and the election of Barack Obama as president of the United States Drawing from almost 400 years of U S history the work documents the experiences and impact of black people on every aspect of American life Presented chronologically the selected events each include at least one primary source to provide the reader with a first person perspective These range from excerpts of speeches given by famous African American figures to programs from the March on Washington The remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force America to live up to the promise of its founding [General Technical Report INT.](#) ,1987 **The Statesman's Year-book** ,1928 **Proceedings** ,1987 **Methods for Evaluating Riparian Habitats with Applications to Management** William S.
