

## Summary Page

The Class "A" Checklist allows companies to benchmark their manufacturing planning and control processes (see [www.bpic.co.uk/wom\\_checklist.htm](http://www.bpic.co.uk/wom_checklist.htm) for a world class manufacturing checklist). Experience has shown that Class "A" companies achieve significant business benefits, increased market share and profitability. The 20 point checklist does not cover every area of business performance but it is our experience that if these 20 points are covered the other points such as cultural, leadership, customer focus and team working will follow.
