generalizations that have plagued Film Studies Ray works with the movies details treated as initially mysterious but promising clues e g Grand Hotel s coffin and room assignments The Philadelphia Story s diving board and license plate PA55 The Maltese Falcon s clocks and missing bed Meet Me in St Louis s violinist and ribboned cat By producing at least 26 entries for each of these films one for every letter of the alphabet Ray demonstrates that a movie s details contain the record of the work and ideas that produced them the endless negotiation between commercial efficiency and seductive enchantment In our unconscious memories we recognize something in the movies something tantalizing and just out of reach This book unlocks those memories making them conscious and explicit so that they will help us understand the most powerful and important storytelling system ever designed
