Sir John Brunner Radical Plutocrat 1842 1919:

Sir John Brunner Stephen E. Koss,1970-10-02 Sir John Brunner the son of a Swiss schoolmaster who settled in England was co founder of Brunner Mond and Company one of the great English chemical firms of the nineteenth century and the predecessor of ICI Always interested in politics Brunner entered Parliament after his industrial activities had already won for him a reputation as the Chemical Croesus Unlike most wealthy men of his time he was a staunch supporter of the Liberal Party and a patron of its Radical causes Irish Home Rule disestablishment land reform welfare legislation and naval disarmament He achieved prominence and wide influence in politics though never Cabinet rank and presided over the National Liberal Federation in the crucial years before and during the First World War Although Brunner was a paternalistic employer opposing socialism one of his last political gestures was his support of a Labour candidate in the coupon election of 1918 Professor Koss study is based on a wide range of research including extensive use of letters and other papers in the possession of the Brunner family Radical Journalist Alfred F. Havighurst,1974-09-05 The first study of the career of H W Massingham an outstanding journalist early in the twentieth century when editors were often ranked equal in significance with ministers of state Massingham featured most significantly in the history of the press as editor of the Star the Daily Chronicle and finally the Nation Professor Havighurst demonstrates Massingham s central position by arguing that he played a more important role in the formation of progressivism in the period 1888 92 than even the Fabian Society Massingham s clash with the Fabians is examined along with his gradual disillusionment with Rosebery his influence upon important questions of public opinion his connection and his subsequent contact with Ramsay MacDonald The influence of journalists is frequently alleged but is often unproved this biography provides a detailed assessment of the impact of a major journalist and is a complete and fascinating account of an extremely important political figure It will appeal to specialists in political and social history and the history of journalism Liberalism and Naval Strategy Bernard Semmel,2023-05-26 Liberalism and Naval Strategy 1986 examines the role that liberalism played in shaping the naval strategy of the Pax Britannia Liberalism was linked to commercial interest and the devotion of the middle classes to peaceful commerce and their suspicion of force as government policy helped to inform critical choices The traditional British naval strategy of the mercantilist era persisted into the early nineteenth century when the Royal Navy s policing of the seas against piracy and the slave trade antagonized trade rivals particularly America By the 1850s Britain granted immunity to neutral shipping after much debate with some of the century s leading thinkers including Mill and Marx taking prominent parts in the naval controversies This book examines these events as well as the writings of contemporary naval strategists including the Colomb brothers It also discusses the strategic posture of the Admiralty and its opponents before and during the war against Germany in 1914 The Decision to Disarm Germany Lorna S. Jaffe,2020-01-08 Originally published in 1985 The Decision to Disarm Germany offers a fresh approach to Britain s First World War and Paris Peace Conference policy on the question of German military disarmament It

offers interpretations based on extensive research into unpublished records and private papers and provides important new conclusions about British policy. The book shows the interaction of domestic concerns and strategic considerations in the wartime development of British thinking on the issue of post war German disarmament and in the post Armistice formulation and implementation of Britain's German disarmament policy. It establishes the crucial interrelationship in British thinking and policy between German disarmament and general disarmament. It also shows the interwar consequences of wartime attitudes and peace conference policy.

Modern England 1901-1970 Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books, articles and standard texts on England, Ireland, Scotland, the Commonwealth and the colonies up to 1970. This handbook will serve as a useful guide to scholars, teachers at all levels, advanced students and the general reader interested in examining the period in some depth.

The Liberal Party and the Economy, 1929-1964 Peter Sloman, 2015 The Liberal Party and the Economy 1929-1964 explores the reception, generation and use of economic ideas in the British Liberal Party between its electoral decline in the 1920s and 1930s and its post war revival under Jo Grimond. Drawing on archival sources, party publications and the press, this volume analyses the diverse intellectual influences which shaped British Liberals' economic thought up to the mid twentieth century and highlights the ways in which the party sought to reconcile its progressive identity with its longstanding commitment to free trade and competitive markets. Peter Sloman shows that Liberals' enthusiasm for public works and Keynesian economic management, which David Lloyd George launched onto the political agenda at the 1929 general election, was only intermittently matched by support for more detailed forms of state intervention and planning. Likewise, the party's support for redistributive taxation and social welfare provision was frequently qualified by the insistence that the ultimate Liberal aim was not the expansion of the functions of the state but the pursuit of ownership for all. Liberal policy was thus shaped not only by the ideas of reformist intellectuals such as John Maynard Keynes and William Beveridge but also by the libertarian and distributist concerns of Liberal activists and by interactions with the early neoliberal movement. This study concludes that it was ideological and generational changes in the early 1960s that cut the party's links with the New Right, opened up common ground with revisionist social democrats and re-established its progressive credentials.

Property and Politics 1870-1914 Avner Offer, 1981-09-24 This book presents an innovative study on the history and impact of landed property, urban development and taxation between 1870-1914.

The Origins of Company Law Victoria Barnes, Jonathan Hardman, 2024-12-26 This book provides histories of company law, uniting a variety of approaches from law, business and management, economics and history. What were the origins of company law? How did it begin? Why did it change? There is no single answer to these questions. Each discipline and sub-discipline has a different approach and method that brings different facets of study to the fore. This multidisciplinary endeavour is immensely valuable for debates taking place now among policy makers in the UK and US about returning to historic modes of company regulation. The book brings together Anglo-American scholarship that will not only shed greater light on the history of

company law but also influence contemporary debates about our ability to return to or learn from the past Historical research has great value here because it not only generates new insights into the evolution of present legal rules but also corrects misunderstandings and misapprehensions about them The book shows how this body of law developed to become the rules with which we are now familiar It showcases antecedents of present debates reveals regulatory lessons from previous legal regimes identifies instances of path dependency unpicks pivotal legal events and explains drivers for legal change The chapters re evaluate the history of company law and the knowledge gathered here will inform the law making and policy making agenda

Liberalism and Liberal Politics in Edwardian England George L. Bernstein, 2023-08-11 First published in 1986 Liberalism and Liberal Politics in Edwardian England makes a lively contribution to the historical debate over whether the Liberal Party was already threatened by decline before the First World War It challenges the current orthodoxy among historians of the Liberal Party arguing that neither the new liberalism nor the progressive alliance with Labour helped to make it more attractive to working class voters Dr Bernstein takes a wide view of liberal ideology and policies stressing that the new liberalism cannot be treated in isolation from traditional domestic and external policies He examines the crucial relationship between party leaders and constituency activists and argues that the party was more effective when the leadership could mobilize the activists in support of traditional domestic and foreign policies such as peace and retrenchment free trade education and temperance reform land reform the House of Lords and Irish Home Rule This book will be welcomed by both scholars and students of history and political science

Into The Crucible Jean M. Morris, 2018-03-18 This rich and well researched history of Widnes brings vividly to life the personalities and events of early days It traces the development of industry and the effects of immigration religion and sport on this fascinating social fabric This book offers a key to understanding the growth of one of the small but most important towns of the Industrial Revolution

Sir John Brunner Radical Plutocrat 1842 1919 Introduction

In today's digital age, the availability of Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sir John Brunner Radical Plutocrat 1842 1919 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sir John Brunner Radical Plutocrat 1842 1919 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a

wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sir John Brunner Radical Plutocrat 1842 1919 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sir John Brunner Radical Plutocrat 1842 1919 books and manuals for download and embark on your journey of knowledge?
