Sister Gin June Arnold,1978 **Unwanted** Jennifer Estep,2016-07-18 The New York Times bestselling Elemental Assassin series continues with a new e novella from the point of view of Finnegan Lane the foster brother of Gin Blanco and a fan favorite of readers of the series The fallout from his disastrous family reunion in Bitter Bite has left Finn feeling hurt angry and depressed He can barely stand to look at himself in the mirror much less eat any of the delicious barbecue from Gin s famed Pork Pit restaurant But when the funeral for a slain security guard at his bank turns into a showdown with some nasty underworld giants Finn knows that he must act in order to protect an innocent family Finnegan Lane might be the most unwanted man in Ashland these days but he s determined to try to make amends for his past mistakes **Queer Aging in North American Fiction** Linda M. Hess,2019-01-24 Exploring representations of queer aging in North American fiction this book illuminates a rich yet previously unheeded intersection within American culture At a time when older LGBTQ persons gradually gain visibility in gerontological studies and in the media this work provides a critical perspective concerned with the ways in which the narratives and images we have at our disposal shape our realities Each chapter shines a spotlight on a significant work of queer fiction beginning with post WWII novels and ending with filmic representations of the 2010s exploring narratives as both reflections and agents of broader cultural negotiations concerning queer sexuality and aging As a result the book not only redresses queer aging s history of invisibility but also reveals narratives of queer aging to be particularly apt in casting new light on the ways in which growing older is perceived and conceptualized in North American culture **Saudade** JS NAYA,2023-07-22 But I do have one regret Odasaku I won t be able to read that novel you ll complete one day What should you do to make what your friend wants become possible Is there any way to give your friend a place where he she could write novels comfortably A place where your friend s job doesn t need to kill people A place where your friend can write novels freely and happily There is actually a place like that There is a way to make it happen and for his friend Dazai made it possible Their friendship might be extremely sad or tragic but it doesn t mean that it wasn t beautiful
