Andrew Wyllie, 2009-03-01 In the years just after World War II theater provided an important critique of British society's engagement with gender and sexual politics *Sex on Stage* examines how British playwrights actors and directors brought women's sexuality and gay and lesbian issues to the cutting edge of drama after World War II Through a close reading of playwrights such as John Osborne Harold Pinter and Terence Rattigan alongside accounts of their sociopolitical context and public reception Andrew Wyllie reveals that this more progressive age was also one of reactionary statements and industry wide anxiety

British Playwrights, 1956-1995 William W. Demastes, 1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a

survey of the playwright's critical reception and an assessment of the dramatist's work and primary and secondary bibliographies. A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history.

Relatively Speaking Alan Ayckbourn, 1968. The play opens in the flat of Greg and Ginny, a young cohabiting couple. Ginny, being the more sexually experienced, finds a strange pair of slippers under the bed and is too besotted to believe they might have been left by another man, which would also explain the bunches of flowers and boxes of sweets filling Ginny's apartment. Ginny goes off for a day in the country, supposedly to visit her parents but actually to break things off with her older married lover Philip. Greg decides to follow her. The next scene is on the patio at the home of Philip and his befuddled wife Sheila, whose marriage is clearly under strain. Greg shows up unannounced before Ginny and wrongly assumes that they are her parents. Greg asks for her hand from Philip, while Philip mistakenly believes that the strange young man is asking permission to marry Sheila. Once Ginny arrives, she convinces Philip to play the role of her father. Meanwhile, Greg still believes that Sheila is Ginny's mother. The situation becomes increasingly complicated and hilarious.

Round and Round the Garden Alan Ayckbourn, 2011-01-10. Sarah's desperate attempts to have a nice civilized week end culminate not surprisingly in disaster. Ruth, Norman's wife, is summoned but Norman still contrives to cause havoc involving finally all three women. Matters are not helped by such events as the slow-thinking Tom mistaking Ruth's intentions during a conversation they have together. Eventually, the horrific week end draws to a close. The four visitors depart but even at the last moment, Norman manages deliberately or not to wreck all plans by driving his car into Reg's. Back they all troop, now facing having to stay. Norman finds himself spurned by all three women and is left protesting with injured innocence that he only meant to make everyone happy.
