Stevens, Diana Loy, Michael Gibson Beecher, Michael Tremont, Laurie Orscheln, Daniel Burrell, William S. Weld, Lake Worth Playhouse, 1997 *John Simon on Theater* John Ivan Simon, 2005-05 Applause Books This provocative collection and major publishing event brings together the critical highlights of the well known New York cultural critic John Simon Covering a span of more than three decades it includes previously published work from New York the Hudson Review National Review Opera News the New Leader and other notable publications The theatre volume contains selected reviews that are as eloquent as they are famously provocative reviews that can enrage but always entertain Simon covers a wide range of New York productions from the East Village to Broadway examining all with the same rigor and high expectations A SAMPLE Simon on Vanessa Redgrave in Long Day's Journey into Night The highly accomplished Redgrave gets some details right but the overarching mental unstableness she exudes is so excessive as to make one wonder whether she is playing or being unhinged **New York Magazine**, 1992-11-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Shiksa Goddess* Wendy Wasserstein, 2002-05-14 Celebrated playwright and magnetic wit Wendy Wasserstein has been firmly rooted in New York's cultural life since her childhood of Broadway matinees but her appeal is universal Shiksa Goddess collects thirty five of her urbane inspiring and deeply empathic essays all written when she was in her forties and all infused with her trademark irreverent humor The full range of Wasserstein's mid life obsessions are covered in this eclectic collection everything from

Chekhov politics and celebrity to family fashion and real estate Whether fretting over her figure discovering her gentile roots proclaiming her love for ordered breakfasts lobbying for affordable theater or writing tenderly about her very Jewish mother and her own daughter born when she was forty eight and single Wasserstein reveals the full dizzying life of a shiksa goddess with unabashed candor and inimitable style

The playwright's popular plays continue to be produced on Broadway and in regional theaters around the country and the world. Wasserstein's emergence as a popular dramatist in the 1970s paralleled the emergence of the second wave feminist movement in the United States; a cultural context reflected in the themes of her plays. Yet while some of her comedies and witty dramas were wildly successful, packing theaters and winning awards, feminists of the era often felt that the plays did not go far enough. Wendy Wasserstein provides a critical introduction and a feminist reappraisal of the significant plays of one of the most famous contemporary American women playwrights. Following a biographical introduction, chapters address each of her important plays, situating Wasserstein's work in the history of the US feminist movement and in a historical moment in which women artists continue to struggle for recognition. Whitfield, 1999 A leading cultural historian explores the complex interactions of Jewish and American cultures. **Nostalgia in Jewish-American Theatre and Film, 1979-2004** Ben Furnish, 2005 Nostalgia, a bittersweet yearning for the past, is an important element in Jewish-American performances of the late twentieth century. Numerous plays and films of this time use nostalgia to engage Jewish audiences, including Yiddish cultural themes and images. Nostalgia offers audiences a window through which to examine past and current social changes. These include American Jews' departure from Europe to America, the city for the suburbs, Yiddish for English, as well as the civil rights, women's, peace, and gay and lesbian movements and other transformations. These performances illustrate how theatre and film transmit culture from generation to generation and between one ethnic community and the wider American scene. **New York Magazine**, 1992-11-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and

excitement of the city itself while celebrating New York as both a place and an idea
