On Reading Prophetic Texts Dijkstra, Bob Prof. Dr.

Becking, 2021-09-06 The articles in this volume have been written in memory of the feminist biblical scholar Fokkelien van Dijk Hemmes who died at the early age of 50 The authors endeavour to continue and advance the dialogue with her by evaluating and interacting with her scholarly legacy Their concern is with various aspects of her work on the Hebrew Bible and they respond in particular to the feminist hermeneutics she developed for reading biblical texts Several articles test her method in application to specific prophetic texts Other contributions focus on aspects of the role of women in the cults of Ancient Israel A third group of essays confronts Fokkelien van Dijk Hemmes approach with more traditional ways of biblical interpretation This book is an important contribution to the ongoing debate on feminist insights into aspects of the literature culture and religion of Ancient Israel

Woman as Prophet in the Home and the World R. Mary Hayden Lemmons,2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture **The Prophecy** Lucy Varna,2014-02-10 An immortal warrior A secret from the grave And a deadly enemy determined to destroy them both Maya Bellegarde has spent her entire life searching for a way to break the curse hanging over her and her People immortal warrior women forced to live in secret on the whim of a vengeful god When an ancient symbol linked to the Seven Sisters the progenitors of the People is found in an unusual grave in a Swedish archaeological dig alongside a cache of rare documents Maya volunteers to investigate it with James Terhune a handsome archaic language expert The attraction between Maya and James burns strong and bright surprising them both But when a mysterious thief raids the archaeological

site they must work together in a race against time to translate the documents before the People's ancient enemy can interfere threatening the lives of Maya and James's families James soon begins to suspect however that the secrets of the grave are minor compared to the secrets Maya holds secrets that could hamper their burgeoning relationship and cripple the work they've undertaken Can she learn to trust him before their common enemy strikes Or has time hardened her heart to the love that could save them both and help them uncover the only hope her People have for redemption

The Gospel of Mark John R. Donahue, Daniel J. Harrington, 2005 In *The Gospel of Mark* Fathers Donahue and Harrington use an approach that can be expressed by two terms currently used in literary criticism intratextuality and intertextuality This intratextual and intertextual reading of Mark's Gospel helps us to appreciate the literary character its setting in life and its distinctive approaches to the Old Testament Jesus and early Christian theology Intratextuality means we read Mark as Mark and by Mark Such a reading expresses interest in the final form of the Gospel not its source or literary history and in its words and images literary devices literary forms structures characterization and plot Reading Mark by Mark gives particular attention to the distinctive vocabulary and themes that run throughout the Gospel and serve to hold it together as a unified literary production Intertextuality comprises the relation between texts and a textual tradition and also referring to contextual materials not usually classified as texts e.g. archaeological data Intertextuality is used to note the links of the text of Mark's Gospel to other texts especially the Old Testament and to the life of the Markan community and of the Christian community today

A Thousand Souls: A Young Man's Improbable Journey Begins With a Prophet's Promise Lee Nelson, 2023-07-10 This novel based on Lee Nelson's actual LDS mission to Germany is a pleasing uplifting journey of self discovery The plot twists and heart touching scenes rival any of those found in the author's Storm Testament series Elder Spencer W Kimball laid his warm strong hands on my head and in a raspy voice proceeded to set me apart as a missionary He blessed me that I would be protected from harm that I would enjoy good health and that if I kept the commandments and remained faithful I would be instrumental in bringing a thousand souls to the truth That promise weighed heavily on young Lee Nelson as he began his mission to Germany in the 1960s but also served as a motivator for him in accomplishing the work of the Lord The powerful message will serve as motivation for young readers to serve missions themselves
