When these two master authors come together to collaborate on fiction, the result is literary dynamite. *On Account of Darkness and Other Stories* brings together for the first time every science fiction story that Bill and Barry wrote together during their long careers, featuring a brand new introduction. These short sharp stories, each a paradigm of the craft of science fiction, are prime examples of two authors working at the height of their collaborative powers, resulting in a collection of truly speculative fiction. Barry N. Malzberg is the author of some forty science fiction novels and collections. Bill Pronzini has been a full-time professional writer since 1969. Once again, as Dr. Martin Luther King Jr. first observed in the 1960s, it is midnight in America, a dark time of division and anxiety with threats of violence looming in the shadows. In 2008, the Trinity United Church in Chicago received threats when one of its parishioners, Senator Barack Obama, ran for president. We're going to kill you rang in Reverend Otis Moss's ears when he suddenly heard a noise in the middle of the night. He grabbed a baseball bat to confront the intruder in his home. When he opened the door to his daughter's room, he found that the source of the noise was his own little girl dancing. She was simply practicing for her ballet recital. At that moment, Pastor Moss saw that the real intruder was within him. Caught in a cycle of worry and anger, he had allowed the

darkness inside But seeing his daughter evoked Psalm 30 You have turned my mourning into dancing He set out to write the sermon that became this inspiring and transformative book *Dancing in the Darkness* is a life affirming Dr Teresa L Fry Brown guide to the practical political and spiritual challenges of our day Drawing on the teachings of Dr King Howard Thurman sacred scripture southern wisdom global spiritual traditions Black culture and his own personal experiences Dr Moss instructs you on how to practice spiritual resistance by combining justice and love This collection helps us tap into the spiritual reserves we all possess but too often overlook so we can slay our personal demons confront our civic challenges and reach our highest goals
