The Sixth Sense Kees van der Heijden, Ron Bradfield, George Burt, George Cairns, George Wright, 2009-08-13 Der etwas andere Leitfaden zum Thema Szenarios und organisatorisches Lernen The Sixth Sense behandelt ausführlich die Veränderungen in den Unternehmenssystemen den Strukturen und den Menschen Szenarios werden hier explizit mit Strategie und Handeln verbunden Innovativer Ansatz Szenarios werden als Methode des organisatorischen Lernens behandelt Hier lernen Manager wie sie mit dem zunehmenden Wandel im Unternehmensumfeld zurechtkommen und wie sie mit Hilfe von Szenarios Denkfehler berwinden durch Aufzeigen dass die Zukunft keine Nachbildung der Vergangenheit ist Praxisorientiert Die Autoren zeigen anschaulich wie man Szenariodenken in der Praxis anwendet The Sixth Sense der unverzichtbare Ratgeber für Manager und Consultants *The Sixth Sense - Accelerating Organisational Learning with Scenarios Plus Registration Card* Van Der Heijden, 2012-11-27 **The Sixth Sense - Accelerating Organisational Learning with Scenarios - Registration Card** Kees van der Heijden, 2012-08-31 **The SAGE Handbook of Tourism Management** Chris Cooper, Serena Volo, William C. Gartner, Noel Scott, 2021-08-04 The SAGE Handbook of Tourism Management is a critical authoritative review of tourism management written by leading international thinkers and academics in the field Arranged over two volumes the chapters are framed as critical synoptic pieces covering key developments current issues and debates and emerging trends and future considerations for the field The two volumes focus in turn on the theories concepts and disciplines that underpin tourism management in volume one followed by examinations of how those ideas and concepts have been applied in the second volume Chapters are structured around twelve key themes Volume One Part One Researching Tourism Part Two Social Analysis Part Three Economic Analysis Part Four Technological Analysis Part Five Environmental Analysis Part Six Political Analysis Volume Two Part One Approaching Tourism Part Two Destination Applications Part Three Marketing Applications Part Four Tourism Product Markets Part Five Technological Applications Part Six Environmental Applications This handbook offers a fresh contemporary and definitive look at tourism management making it an essential resource for academics researchers and students **Scenario Thinking** George Cairns, George Wright, 2017-10-13 Develops scenario planning methods in ways that link scenario analysis to improved decision making engage time poor senior decision makers attenuate decision makers tendency to deflect responsibility for bleak negative scenario outcomes and enhance causal analysis within scenario storyline development What if Two of the most powerful and frightening words in business Almost as bad as I didn't see that coming Some things that transform the marketplace overnight come from nowhere Some things that create potentially critical under performance are genuinely unforeseeable Sometimes it is impossible to predict how a change in an organizational strategy will play out Some things and sometimes but not many and not often Decision makers in organizations face more and more complex and ambiguous problems that need to be addressed under time pressure and the need for practical decision support has become essential The range of

methods in this book will enable you to be prepared proactive and resilient no matter what the future brings Based on up to date academic research and years of application and iteration in the real world this book illustrated with examples of the value delivered in Europe Australia and the Middle East will transfer practical skills in scenario thinking using step by step instructions This thoroughly revised and expanded second edition introduces these new approaches in detail with clear guidelines and examples to enable the reader to select and implement the most appropriate scenario method to suit the issue at hand considering the timeframe for its investigation the resources available and the outcomes expected

Assessing the Tradecraft of Intelligence Analysis Gregory F. Treverton, C. Bryan Gabbard, 2008-02-27 This report assesses intelligence analysis across the main U S intelligence agencies and makes a number of recommendations some of which parallel initiatives that have begun in the wake of the December 2004 legislation for instance create a Deputy Director of National Intelligence as a focal point for analysis establish a National Intelligence University build a Long Term Analysis Unit at the National Intelligence Council and form an Open Source Center for making more creative use of open source materials

Evolution of Scenario Planning George Burt, 2023-10-24 Scenario planning is a long and well established approach to help leaders create novel insights and challenge what they know of the world to influence future action But as the world becomes increasingly unpredictable leaders must question the traditional mode of analysing the contextual environment and adopt new capabilities to embrace change while they redefine and reframe their organisation for the future The Evolution of Scenario Planning explores the pervasive nature of change It provides a contemporary approach to using scenarios as strategic conversation to embrace experiences past and present to create novel understanding and insights The book uses case studies and practical examples to guide facilitators in applying the scenario process in their organisation Leaders senior managers consultants and academics will learn how to engage with scenarios as a central element of strategy and better understand their role in strategic leadership They will also gain insight into the skills and capabilities revealed during the process of strategic conversation where ambiguity and equivocality is a natural feature of such conversation The Evolution of Scenario Planning makes a compelling case for using scenarios to enable leaders to develop foresight and attunement to grasp the ongoing dynamic of their uncertain and ambiguous world

Electronic Government Roland

Traunmüller, 2012-02-02 The EGOV Conference Series intends to assess the state of the art in e Government and to provide guidance for research and development in this fast moving field The annual conferences bring together leading research experts and professionals from all over the globe Thus EGOV 2003 in Prague built on the achievements of the 1st EGOV Conference Aix en Provence 2002 which provided an illustrative overview of e Government activities This year the interest even increased nearly 100 contributions and authors coming from 34 countries In this way EGOV Conference 2003 was a reunion for professionals from all over the globe EGOV 2003 brought some changes in the outline and structure of the conference In line with the broadening of the field and a growing number of missions it became necessary to decentralize the

reviewing process So reviewing was done via stream chairs who deserve high praise for their dedicated work In addition a workshop part was included to cover some subjects of emerging significance such as dissemination networking and regional developments Further a subtitle of the conference was chosen that would mirror the expansion of e Government to e Governance Consequently in this year's conference governance democratic deliberation and legal issues occupied a growing share Last but not least GIS was incorporated as a topic due to the increasing importance of geographical information systems for planning and operations

Scenarios Kees van der Heijden, 2011-03-10 Scenario planning allows companies to move away from linear thinking and better understand external change Eight years and 30 000 copies after publication *Scenarios* is still acknowledged as the definitive work in the field Now Kees van der Heijden brings his bestseller up to date following up on his original case studies and adding significant new material The Second Edition changes focus slightly by providing more in depth analysis and application of the concept of the strategic conversation While maintaining the underlying rigour of the first edition van der Heijden revisits the text to make it far more practical and accessible and in doing so gives you the tools you need to set out and negotiate a successful future course for your organization in the face of significant uncertainty
