Catalog of Copyright Entries Library of Congress. Copyright Office, 1952 **Photography in China** Oliver Moore, 2021-12-24 Emphasizing the medium's reception among several Chinese constituencies this book explores photography's impact within new discourses on science as well as its effects in social life visual modernity and the media during China's transition from imperial to republican government General knowledge and academic teaching of early modern Chinese visual culture stops short of fitting photography into the larger context of visual practices and theories This study redraws the boundaries by making photography the central concern within changing priorities of visual representation and its functions during a period of major cultural and political change No other study draws on such intimate familiarity with the early glamour of photography as science commerce and communication in the various local conditions of China's cities and towns Joining a body of critical writing that examines photography's histories outside the familiar confines of the West this book looks beyond the tourist and imperialist gazes of photographer adventurers from the Western powers and Japan It defines instead the Chinese priorities of photographic vision that are abundantly evident in surviving photographs as well as in records as various as technical manuals and personal inscriptions Local practices and local knowledge are the keys to explain the highly successful indigenization of a medium as globalizing as photography with reference to Chinese society's own terms and practices This book will be of particular interest to scholars in art and visual culture the history of photography and Asian art

Responsibility of International Organizations Maurizio Ragazzi, 2013-07-04 In December 2011 the United Nations General Assembly adopted the International Law Commission's articles on the responsibility of international organizations bringing to conclusion not only nearly ten years of reflection by the Commission governments and organizations on this specific topic but also decades of study of the wider subject of international responsibility which had initially focused on State responsibility Parallel to this reflection by the Commission diplomats and public officials the body of international case law and literature on the many facets of the topic has steadily been growing Responsibility of International

Organizations Essays in Memory of Sir Ian Brownlie contributes to the body of international literature by collecting a broad spectrum of different and sometimes differing perspectives from well known experts in the field ranging from the bench to the Commission academia and the world of in house counsel The book is also a memorial to the renowned Sir Ian Brownlie himself a former Chairman of the International Law Commission who as a leading scholar and practitioner greatly contributed to the reflection on international responsibility including the responsibility of international organizations Edited by Maurizio Ragazzi a former pupil of Sir Ian the book is an ideal companion to International Responsibility Today a collection of essays on international responsibility which the same editor presented in 2005 in memory of Oscar Schachter and to which Sir Ian Brownlie had contributed The essays collected in Responsibility of International Organizations Essays in Memory of Sir Ian Brownlie conveniently grouped by the editor under broad areas for the reader s benefit will be relevant not only to all those interested in this specific subject but also more generally to all those engaged in the field of international law and the law of international organizations

Roll Over Adorno Robert Miklitsch,2012-02-01 What happens when Theodor Adorno the champion of high classical artists such as Beethoven comes into contact with the music of Chuck Berry the de facto king of rock n roll In a series of readings and meditations Robert Miklitsch investigates the postmodern nexus between elite and popular culture as it occurs in the audiovisual fields of film music and television ranging from Gershwin to gangsta rap Tarantino to Tongues Untied Tony Soprano to Buffy the Vampire Slayer Miklitsch argues that the aim of critical theory in the new century will be to describe and explain these commodities in ever greater phenomenological detail without losing touch with those evaluative criteria that have historically sustained both Kulturkritik and classical aesthetics
