Skeeter And The Computer:

Skeeter and the Computer Frank Modell,1988 A bored and lonely dog finds a new friend in a computer Dead West Linda L Richards,2023-09-05 Rule 1 of being a hired killer never get to know your target and definitely don't fall in love with them Taking lives has taken its toll Her moral justifications have faltered Do any of the people she has killed some of them heinous but all of them human deserve to die Her next target is Cameron Walker a rancher in Arizona When she arrives at his remote desert estate to carry out her orders she discovers that he is a kind and beautiful man After a lengthy tour of the ranch not only has she not killed him she's wondering who might want him dead She procrastinates instead growing closer to Cameron She learns that he's passionate about wild horses and has been fighting a losing political battle to save mustangs that live on protected land near his ranch he's even received death threats from his opponents Suddenly she's faced with protecting the man she was sent to kill encountering kidnappers murderers horse thieves and even human traffickers along the way Can she figure out who has hired her before they take matters into their own hands Perfect for fans of Dean Koontz and Tana French While the novels in the Endings Series stand on their own and can be read in any order the publication sequence is as follows Endings Exit Strategy Dead West Insensible Loss Crazy Cool Tara Janzen,2005-10-25 She's sizzling hot He's icy cool He called her Bad Luck Dekker a gorgeous socialite who trailed trouble in her wake Christian Hawkins should know Thirteen years ago he saved Kat Dekker's life only to spend two years in jail for a crime he didn't commit Now it's déjà vu all over again when he rescues Kat from an explosion that rips through a Denver art auction This time Christian now an operative with an elite U.S. task force plans to keep her close until he figures out why somebody wants to kill her That is if he can keep his cool around this sizzling hot lady The daughter of a senator Kat hasn't forgotten the hot summer nights of passion in Christian's arms before everything went wrong Now as the bullets start flying the sexy self-appointed bodyguard is back in her life in a major way Especially when Christian kidnaps her and they go roaring into the night in his brute-powered muscle car But staying out of danger is tough for two people who are this hot for each other a little bit crazy and a whole lot in love From the Paperback edition **Killer King** Stuart R. West,2020-03-17 Sometimes it's good to be the king Leon Garber never wanted to be CEO of any corporation let alone the one that's been trying to kill him for the past year and a half That's why it makes no sense when LMI offers him a job a chance to take down the corporation from the inside It's a killer job but somebody has to do it A job Leon loves a little too much Sometimes it's great to be the king Tales of the Time Scouts Robert Asprin,Linda Evans,2015-11-16 TWO NOVELS OF TIME TRAVELING ADVENTURE Includes Time Scout and Wagers of Sin When an experiment on an orbiting space station went wrong bad wrong ripples in time washed over the Earth bringing global disaster The survivors beginning to rebuild learned that they were now able to travel into the past utilizing the remnant time strings But first the time strings had to be mapped That was the job of the brave pioneers known as time scouts Their occupation was only slightly less dangerous than front line combat and when it was discovered that a time

traveler who wasn't extremely careful could zap himself out of existence elaborate rules to prevent that evolved and it was the job of the time scouts to enforce them Time Scout Kenneth _Kit Carson was one of the best if not the best time scouts in the business But he has collected more than a few scars both physical and mental while poking around back in time and trying not to draw the dangerous attention of the natives not always successfully Nowadays he runs a small hotel at Time Terminal 86 and just wants to be a hotelier renting rooms to tourists on their way to see the Roman Circus Maximus or Victorian London firsthand until a certain red headed girl flounces out of his life through an illicit gate that may collapse and leave her lost eternally in the corridors of time Wagers of Sin Time Travel stations have become big business with wealthy tourists taking vacations back in time For Skeeter Jackson one of Time Terminal 86's least honest residents scamming those tourists is a way of life A man's got to follow his calling even a con man and Skeeter might be a dyed in the wool thieving scoundrel but he freely admits it and relishes the crisp cool feel of cash in hand until one of his scams went terribly wrong and he was in more trouble than even his quick wits and crooked tricks could get him out of again At the publisher's request this title is sold without DRM Digital Rights Management
