Sky Was The Limit:

The Sky is the Limit... Jerry Lynn Love, 2009-01-16 The sky is the limit We have often heard or have used this phrase as a means to motivate others in pursuing desired goals or dreams Regardless of our cultural religious or ethnic background the opportunity to reach one's highest height was only a matter of doing whatever it took We may accomplish our goals by continued education seminars special training sessions or other means of enhancement for advancement Others make accomplishments by means of evil schemes illegal transactions or You scratch my back and I'll scratch yours Some will step on whomsoever they will and other underhanded tactics to get what they want However regardless of the mode or level of achievement the motto is that you can go as high as you want but THE SKY IS THE LIMIT **The Sky's the Limit** Wayne Dyer, 1990-04-15 *The Sky's the Limit* Dr. Wayne Dyer, *Sky Is The Limit (Vol 2)* Author Of India, 2024-09-20 **The Sky's the Limit** Steven Gaines, 2025-05-01 With his signature elan Gaines weaves a gossipy tapestry of brokers buyers co op boards and eccentric landlords and tells of the apartment hunting and renovating adventures of many celebrities from Tommy Hilfiger to Donna Karan from Jerry Seinfeld to Steven Spielberg from Barbra Streisand to Madonna Gaines uncovers the secretive unwritten rules of co op boards why diplomats and pretty divorcees are frowned upon what not to wear to a board interview and which of the biggest celebrities and CEOs have been turned away from the elite buildings of Fifth and Park Avenues He introduces the carriage trade brokers who never have to advertise for clients and gives us finely etched portraits of a few of the discreet elderly society ladies who decide who gets into the so called Good Buildings Here too is a fascinating chronicle of the changes in Manhattan's residential skyline from the slums of the nineteenth century to the advent of the luxury building Gaines describes how living in boxes stacked on boxes came to be seen as the ultimate in status and how the co operative apartment originally conceived as a form of housing for the poor came to be used as a legal means of black balling undesirable neighbors A social history told through brick and mortar The Sky's the Limit is the ultimate look inside one of the most exclusive and expensive enclaves in the world and at the lengths to which people will go to get in
