Sky's Witness C. L. Rawlins, 1994-06-01 A naturalist describes the flowering plants the ways of the animals the history of the Shoshoni the effects of the twentieth century on the landscape and more **Sky's Witness** C. L. Rawlins, 2014-09-30 Thoreau joked that he was a self appointed inspector of snowstorms and rainstorms never dreaming that such a need might exist But such is the author s work and that of his various helpers from ski bums to shortstops They travel the alpine wilderness at all seasons by touring skis snowshoes pack llamas float tubes and a tiny but dependable rat The remove mountain beauty where thoughts stretch for miles and days would be enough but C L Rawlins is after something more He s a backcountry hydrologist collecting rain snow and the water of high lakes to measure air pollution Alongside Rawlins we discover the natural history of the central Rockies the flowering of plants and the ways of mountain animals We learn how the Shoshoni lived in this harsh country before the arrival of settlers We see also the effect of twentieth century living on a wilderness that feels pristine but bears the chemical trace of distant smokestacks and freeways With a style that roams between natural observation and personal essay Rawlins s Sky s Witness gives access not only to the wilderness but to the ways in which we know ourselves Sky's Witness Clem L. Rawlins, 1993 Something more He s a backcountry hydrologist collecting rain snow and the water of high lakes to measure air pollution Alongside the author we discover the natural history of the central Rockies the flowering of plants and the ways of mountain animals We learn how the Shoshoni lived in this harsh country before the arrival of settlers We see also the effect of twentieth century living on a wilderness that feels pristine but bears the chemical trace of distant Along Wyoming's Continental Divide Trail ,2000 The Continental Divide Trail spans some 600 miles through the state of Wyoming Scott Smith backpacked through sections of this extraordinary trail photographing and writing about his adventures along the rugged desert hills of the Wind River Range to the mountains of the Teton Wilderness The engaging story of his adventure includes historical and geological information of the region accompanied by large full color photographs that bring the full experience to life The natural splendor of Wyoming is revealed through this unique glimpse into some of the state s most wild and remote areas **Best Backpacking Trips in Montana, Wyoming, and Colorado** Mike White, Douglas Lorain, 2019-05-01 Best Backpacking Trips in Montana Wyoming and Colorado provides everything you need to know to organize and execute the best backpacking trips in the Mountain West Mike White and Douglas Lorain who have walked every mile of the trails described inside take readers and hikers into some of the wildest and most scenic backcountry landscapes in the nation and help them design the ultimate trip Focusing on one week excursions the book offers details on all the aspects of trip planning trail narratives technical data maps gear food information on regulations and permits and more But it is more than a basic guidebook Trip information is enriched by valuable and interesting sidebars on history and ecology that will increase appreciation for these natural areas and the people who were instrumental in their discovery or protection In Best Backpacking Trips in Montana Wyoming and Colorado

White and Lorain pass on their knowledge of quality hikes planning and preparation and the unique satisfaction of multi day backpacking This guide put into practice will result in the trip of a lifetime

**Updating the Literary West** ,1997 Western writers says Thomas J Lyon in his epilogue to Updating the Literary West have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the Literary History of the American West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West s literary heritage Out of this hope comes Updating the Literary West a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of LHAW western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children s literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West s literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries
