

A dragon with dark scales and a spiky crest stands in a field of tall dandelions. The dragon's wings are spread, and it is looking towards the right. The background shows a vast landscape with rolling hills and a cloudy sky. The title "Dragons & Dandelions" is written in a white, elegant serif font across the center of the image. There are four small white star-like symbols in the corners of the image.

Slay Your Dragons With Compassion Malcolm Stern, Ben

Craib, 2020-09-29 Ten key teachings from renowned therapist Malcolm Stern all distilled from his thirty years of intense group work. The book is filled with practical exercises which are combined with real and compelling stories from the therapy room. When renowned psychotherapist Malcolm Stern's daughter Melissa took her own life in 2014, he experienced most parents' worst nightmare and his grief made him challenge every aspect of his work and life. It thrust his growth and development forwards in ways he never thought possible, forcing him to confront his fears and work through his biggest blocks. The culmination of that process is *Slay Your Dragons With Compassion: 10 Ways To Thrive In An Unstable World*. The book, which includes many exercises, is the distillation of over thirty years' experience in the therapy room and shows us that meaning can exist even in the worst tragedy. By creating a set of practices and making them central to our lives, we can find passion, purpose, and meaningful happiness while navigating life's darkest moments in such a way that we discover the gold hidden within. There is revelation, insight, struggle, decimation, devastation, and winning through against all odds in these stories of ordinary people with extraordinary challenges facing them. Key teachings include: Find Your Radar, Create a Sangha, The Ricochet Effect, Allow Your Relationships to Educate You, and Befriend Death. The reader will be transported into the powerful atmosphere of the therapy room and be left inspired and motivated to make courageous changes in their own lives.

Slaying My Dragons Maria Victoria Murua, 2015-09-28

From the time Georgie was a little boy, his life underwent powerful life-altering changes that gave rise to his many fears: the sudden death of his beloved Grandpa Manny, his parents' divorce, his mother's and his little brother's illnesses, and especially the presence in his life of Damian and his bullies. He was only five when he lost his grandpa, but then God seemed to compensate him with his new baby brother Tony, someone he could love and protect. That connection created in both boys a bond that surpassed anything else in their lives, and although 5 years apart in age, they grew up together almost as contemporaries, sharing everything in their lives and holding on to each other as their anchor in dealing with all the misfortunes life dealt them. Through it all, Georgie harbored and nurtured a lot of fears, the biggest of which were the bullies at school and how to protect Tony when he couldn't even protect himself. Skirting the bullies as he went, Georgie developed into a mature young teenager, a gifted student and a talented dancer, pulling Tony along with him on all his new adventures and accomplishments while at the same time dealing with the bullies as best he could. Then an unexpected ally arrives in the form of a bronze statue of St. George, given to him by his grandmother. With that statue comes hope and faith and an awareness of all that he could be, along with a new and powerful friend. Like everything else in life, one cannot just avoid evil and danger. While it confronted just him, Georgie was able to evade it, but when it involved Tony, he had to face it head-on. In doing so, he found that he didn't have to face it alone. His help came from the most unlikely sources: his dragons, his fears, and a couple of real fire-breathing dragons, St. George and Tony himself. Two brothers together.
