The Most Expensive Game in Town Mark Hyman,2012-03-20 Building on the eye opening investigation into the damaging effects of the ultra competitive culture of youth sports in his previous book *Until It Hurts* Mark Hyman s new book looks at the business of youth sports how it has changed and how it is affecting young Americans Examining the youth sports economy from many sides the major corporations small entrepreneurs coaches parents and of course kids Hyman probes the reasons for rapid changes in what gets bought and sold in this lucrative marketplace Just participating in youth sports can be expensive Among the costs are league fees equipment and perhaps private lessons with a professional coach With nearly 50 million kids playing organized sports each year it is easy to see how profitable this market can be Hyman takes us to tournaments sponsored by Nike Gatorade and other big businesses and he talks to parents who sacrifice their vacations and savings to get their sometimes reluctant junior stars to these far off expensive venues for a chance to shine He introduces us to videos purporting to teach six month old babies to kick a ball to professional athletes who will coach an eight year old for a hefty fee to a town that has literally staked its future on preteen sports With its extensive interviews and original reporting *The Most Expensive Game in Town* explains the causes and effects of the commercialization of youth sports changes that the author argues are distorting and diminishing family life He closes with strong examples of individuals and communities bucking this destructive trend
