Monuments Commission for the Battlefields of Gettysburg and Chattanooga, 1904 The Voyages of Joshua Slocum Joshua Slocum, 1985 This definitive edition of all of Captain Joshua Slocum's writings is now being reissued in time for the 100th anniversary of Slocum's epic singlehanded voyage **Capt. Joshua Slocum** Victor Slocum, 1993 Victor Slocum is the son of Captain Joshua Slocum

Joshua Slocum, Sailing Alone Around the World Joshua Slocum, 2012-06-21 Joshua Slocum was the first man to circumnavigate the world single handed This classic account of his voyage remains one of the most thrilling and entertaining travel narratives of all time from encounters with Moorish pirates and Juan Fernandez islanders to tempests and languid seas sharks and flying fish Slocum 421 Jake Logan, 2014-02-25 On the hunt for riches Slocum only finds trouble Upon the discovery of three mutilated corpses John Slocum's potentially lucrative buffalo hunt through Kansas is put on hold When Colonel Charles Bradford and his men arrive to claim the body of his niece Slocum can't help but notice the rather odd flag they're flying It seems Bradford hopes to secede and begin a new nation in the wilds a plan that Slocum believes to be foolish and deadly But when Slocum later shoots a federal agent in self defense he's accused of killing the man in cold blood and of conspiring with Bradford Now with more agents and Pinkertons hot on his trail Slocum knows that clearing his name will mean taking matters into his own bloody hands *Red Flags in Psychotherapy* Patricia Keith-Spiegel, 2013-10-01 This book delves into risks that can easily bedevil any psychotherapist and what can happen if they are ignored Dramatic storytelling based on actual incidents from the author's experiences as a member of ethics committees and as an ethics teacher and consultant explores actions prompting clients to issue formal complaints Set in the context of an ethics committee meeting over the course of a weekend twelve psychologists face their peers who will stand in judgment Issues include the fallout from losing one's temper with a difficult client a personal disclosure gone terribly wrong a bartering arrangement that literally

falls apart a private life revealed in a most public way a vengeful act that sullies the reputation of an entire department breaking confidentiality when a client threatened harm and the slippery slope to sexual exploitation The stories are absorbing enlightening sometimes shocking and often stranger than fiction Narrative nonfiction puts human faces and emotions on what would otherwise be cursory statistics What led to the formal complaint from both the vantage point of the complainant and the psychologist offers insights not otherwise available unless the dynamics of their private lives leading up to the conflict are revealed An author's commentary and discussion questions follow every story Both new and seasoned practitioners as well as those still in training will find this to be an invaluable resource *Slocum 419* Jake

Logan, 2013-12-31 Two dangerous dames are about to go down Slocum is on his way to Durango to see a man about a horse four horses in fact when he watches a mining blast send a man to his death In the distance he spies the distinctive shape of a woman in man's clothing making her getaway and hears a second woman aiding her retreat Slocum is no fool when it comes to the dangers of the fairer sex but now he's on the hunt for a pair of ladies who know their way around dynamite And when he finally finds them sparks and bullets are going to fly **Slocum 331** Jake Logan, 2006-08-29 The cavalry needs to be

rescued from Slocum When Slocum is saddled with a debt he can't carry pretty Laurel Atkins saves his hide and convinces him how badly she needs his gun She tells him her husband is a cavalry sergeant who's missing and she wants answers A troop of horse soldiers may have gone bad Slocum isn't hankerin' to take them all on but one look at Laurel and he knows he's going to help her out or die trying *Slocum #386* Jake Logan, 2011-03-29 Slocum's got a fistful of wanted posters

Dangerous criminals are loose in Arizona Territory and no one is safe After stumbling into a lucky arrest John Slocum's eager to deal out justice by capturing all the gun-slinging bandits in Phoenix and putting 'em behind bars for easy money Or so he thinks Because Rupert Grimes the most dangerous man in the territory isn't about to come along quietly *Slocum 301:*

Slocum and the Cayuse Squaw Jake Logan, 2004-02-24 This squaw's got Slocum running from both sides of the law A spunky squaw makes the injured Slocum an offer he can't refuse her very special care for his protection against the angry Cayuse braves and the white bounty hunters on their trail **Sherman's Forgotten General** Brian C. Melton, 2007 Biography of

Union major general Henry W. Slocum Author explores Slocum's attitudes and tactics while serving under various Civil War generals such as George McClellan Joseph Fighting Joe Hooker and William Tecumseh Sherman Provided by publisher *A*

Man for All Oceans: Captain Joshua Slocum and the First Solo Voyage Around the World Stan Grayson, 2017-05-16 The product of years of research *A Man for All Oceans* is the most comprehensive biography of Slocum ever published and the first written by a small boat sailor Author historian Grayson uncovered previously unknown original source materials to shed new light on one of history's greatest sailors while answering questions that have been asked ever since the publication of *Sailing Alone* In June 1898 three years and two months after departing Boston in his aged oyster sloop *Spray* Captain Joshua Slocum made landfall in New England and became the first person ever to sail alone around the world The voyage capped a

lifetime of adventure for the indomitable Slocum who had advanced from seaman to captain during the challenging final years of commercial sail surviving hurricanes mutinies shipwreck and the death at sea of his beloved first wife Virginia Sailing Alone Around the World Slocum s book about his circumnavigation is a seafaring classic unmatched for adventure and literary verve and has never been out of print since its publication in 1900 Yet despite several biographies over the decades Slocum the man has remained unknowable to his legions of admirers the facts of his life and career as elusive as a ship on a fogbound sea Here is the real story of Slocum s Nova Scotia childhood his seafaring career and how he became an American citizen Grayson gives ample evidence of Slocum s uncanny genius as a navigator while also noting the occasional role that good luck played in his voyages including his odyssey from Brazil to the United States in the self designed and built 35 foot Liberdade And Grayson brings a sailor s perspective to Slocum s solo circumnavigation and mysterious disappearance at sea A fascinating appendix compares Sailing Alone Around the World with Thoreau s Walden and shows that Slocum s simple lifestyle and self sufficiency prefigured today s emphases on the environment and living responsibly Previously unpublished photographs bring Slocum s world to life and detailed maps trace the adventures of a sailor who knew the world like the back of his hand This biography reads like an adventure narrative and will serve as the standard work on Joshua Slocum for years to come *Slocum and the Rebel Cannon* Jake Logan,2008 LOGAN REBEL CANNON VOL 353 *Slocum 311: Slocum and the Slanderer* Jake Logan,2004-12-28 Slocum s shot a lot of men but never in the back Max Furling has a piece of paper that says he owns the Reilly spread lock stock and barrel And since Reilly is dead Max s claim is foolproof almost He s started a rumor that Reilly was shot in the back by Slocum And being called a lowdown cowardly killer isn t something Slocum takes kindly to He s ready to make Max Furling wish he d bitten clear through his tongue before slandering Slocum But first he s getting some help from a comely new friend a lady with a warm spot for him in her heart and her bed **Slocum #390** Jake Logan,2011-07-26 Slocum is out for bloody revenge Slocum may be a bad man but he s an even worse man to rile up So when a good friend is brutally murdered by the savage Hudson brothers he sets out to return the favor with interest But the trail of vengeance is never straight and before Slocum pulls the trigger he s going to have to make it through some lead filled days **Domestic United States Military Facilities of the First World War 1917-1919** Robert Swanson,2000-02 This book attempts to list every place in the United States and Territories where soldiers sailors or marines might have been stationed during the First World War The reason for such a list is to provide source locations and checklists for postal history letters and cards from these military men The book lists all fixed land based United States military camps and facilities that operated during the War period There has long been a need for such a listing as it was not known where military mail could have originated within the US
