So Many Men:

Older Men's Lives Edward H. Thompson, Edward H. Thompson (Jr.), 1994-06-07 In this multidisciplinary portrait of men and their concerns in later life the contributors use both a life course and gendered perspective to point out that the image and self image of men are continually reconstructed throughout the life cycle Issues examined include the position of older men in society and the changes wrought in their status and roles over time men's relationships to spouse children grandchildren and friends and policy implications

Gone with the Wind Margaret Mitchell, 2020-01-14 *Gone With the Wind* a 1936 novel by Margaret Mitchell winner of the Pulitzer Prize and one of the bestselling novels of all time has been heralded by readers everywhere as The Great American Novel *Gone with the Wind* is often placed in the literary subgenre of the historical romance novel The epic romance tale set in and around Atlanta Georgia during the American Civil War has remained a bestseller even before the equally popular film starring Clark Gable and Vivian Leigh was made in 1939 The novel has also been described as an early classic of the erotic historical genre because it is thought to contain some degree of pornography The novel tells of archetypal Southern belle Scarlett O'Hara as she grows from a young woman into maturity against the backdrop of the American Civil War Like many of the early 20th century Southern writers Mitchell portrays an idyllic image of the antebellum South While it can be legitimately criticized for its insensitivity to the treatment of African Americans who were enslaved Mitchell's novel demonstrates how the South was decimated by the Civil War and continued to suffer under the Northern sanctioned Restoration

Marlborough's America Stephen Saunders Webb, 2012-01-08 Scholars of British America generally conclude that the early eighteenth century Anglo American empire was commercial in economics liberal in politics and parochial in policy somnambulant in an era of salutary neglect but Stephen Saunders Webb here demonstrates that the American provinces under the spur of war became capitalist coercive and aggressive owing to the vigorous leadership of career army officers trained and nominated to American government by the captain general of the allied armies the first duke of Marlborough and that his influence and that of his legates prevailed through the entire century in America Webb's work follows the duke whom an eloquent enemy described as the greatest statesman and the greatest general that this country or any other country has produced his staff and soldiers through the ten campaigns which by defanging France made the union with Scotland possible and made Great Britain preeminent in the Atlantic world Then Webb demonstrates that the duke's legates transformed American colonies into provinces of empire Marlborough's America fifty years in the making is the fourth volume of The Governors General

We Are Becoming the Problem Now! Michael Abayomi Alabi, 2019-02-09 When we leave our destiny in the hands of others and live our life in the past we immediately destroy our future Scientists in the human genome industry have proved that all humans are 99.9 percent the same Why then are some ethnicities progressive and others nonprogressive Our current problems are not with the slave or colonial masters We Are Becoming the Problem Now Had we continued in the legacy of our ancestors simply known as slaves we ought to have been the pride and joy of the whole world They went through unimaginable pain sorrow hardship and torment They survived and even succeeded by leaving a godly legacy behind in the Negro spiritual songs and in arts education industry and every conceivable field Our current major problems as blacks in Africa and all over the world simply put are leadership and disunity We do the dirty work by self destroying ourselves and each other Only few illiterate Caucasian would engage in overt discrimination The majority of us have been trained in the art and act of covert self destruction and in the destruction of the whole We have so much zeal but without knowledge We must bear in mind that zeal without knowledge is dead so also knowledge without zeal is equally lifeless Romans 10:2 Not until we harness our zeal and knowledge comprehensively can we live a progressive life It has been said that if the West is to stand still and halt all development and progress Africa would never catch up Yet we have PhDs in every conceivable field Do we blame that on the ancestors of the slave or colonial masters No We are to be blamed We Are Becoming the Problem Now Those who have ears to hear let them hear because time is of the essence
