So Your Child Is Gay A Guide For Canadian Families And Their Friends:

So Your Child is Gay Jerald Bain, 2000 Jane's parents have just inadvertently discovered she is gay Shocked and uncomprehending they can't believe their bright beautiful nineteen year old daughter is having a sexual relationship with another woman Like many parents who find themselves in this situation they don't know what to do What do they say to their daughter Was it something they did or didn't do while she was growing up How do they tell their family and friends These are just a few of the issues presented in Dr Jerald Bain's *So Your Child Is Gay* an empathetic book written for parents siblings friends medical professionals and gay people themselves This is the first Canadian guide to help families cope with their fears and concerns offering well researched up to date information advice comfort and hope Filled with personal anecdotes *So Your Child Is Gay* discusses male female homosexuality in a family context It explodes the myths and misconceptions surrounding the subject and deals clearly and compassionately with the real everyday issues gays and their families face Coming out from the perspective of the gay child and his/her family Career and job concerns for the gay child Health issues Religious attitudes Finding support and understanding *So Your Child Is Gay* proves that being gay is not a tragedy The real tragedy is in parents withholding their love because their child is gay A book that can be a true bridge of understanding for families it presents a gay lesbian orientation as a new and potentially rewarding challenge in the often uncharted territory of raising a family
