The Fault in Forever Claudia Burgoa, 2024-12-30 USA Today bestselling author Claudia Burgoa brings you an angst filled emotional second chance romance packed with heartache longing and an impossible love triangle I fell in love with a boy who became my everything Keane Stone was my first love I thought I'd grow old with him We had a future filled with promises until one fateful night One tragic accident and just like that he slipped into a coma For years I clung to hope holding on to every what if But life doesn't stand still Eventually I had to learn how to live again Grief clung to me like a second skin when Haydn Wesford came into my life He's a professional hockey goalie with a natural instinct to protect He showed up just when I needed someone the most Loving Haydn was like taking my first real breath in years He made me laugh when I thought I'd forgotten how and made me believe in second chances Just as Haydn and I were about to build a life of our own everything came crashing down Keane woke up I can't abandon him Haydn being the man he is agrees to help bring Keane home and get him back on his feet But as days turn into weeks feelings I thought were buried begin to stir I remember the promises Keane and I made the future we dreamed up together Now I'm standing at a crossroads caught between the man who is my past and the one who would be my future I'm torn in two Two hearts Two futures And only one choice How do you let go of your first love when he's standing right in front of you How do you choose the man you need without breaking the heart of the one you can't seem to let go of The fault in forever is that sometimes love isn't enough And now I have to decide who I am and who I can't live without before I lose them both **Washed Away** Geoff
