Republic Cuba South Korea Taiwan and the United States Engaging a wide range of foundational concepts within sociolinguistics applied linguistics and linguistic and cultural anthropology the analysis reveals the relevance of bilingualism to the social and economic realities of professional baseball as a transnational business It also illuminates day to day encounters with linguistic and cultural difference on the field in clubhouses and in communities around the world Through this linguistic lens the book delves into social issues in diverse societies by connecting interactions within baseball to the broader challenges of immigration race and demographic change While grounded in the experiences of Spanish and English speakers in US Major League Baseball organizations Multilingual Baseball presents the transnational game as a microcosm of globalizing societies around the world inviting readers to consider what we can learn from the bilingual understandings and misunderstandings that arise in everyday baseball interactions

Voting Rights Act United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, 2006 *"Colored Men" and "Hombres Aqui"* Michael A. Olivas, 2020-04-30 This collection of ten essays originally published in 2006 to commemorate the 50th anniversary of an important but almost forgotten U S Supreme court case *Hernandez v Texas* 347 US 475 1954 is now available in trade paperback for the first time Involving Mexican Americans and jury selection this major case was published just before *Brown v Board of Education* in the 1954 Supreme Court reporter This landmark case the first to be tried by Mexican American lawyers before the US Supreme Court held that Mexican Americans were a discrete group for purposes of applying Equal Protection Although the case was about discriminatory state jury selection and trial practices it has been cited for many other civil rights precedents in the intervening 50 years Even so it has not been given the prominence it deserves in part because it lives in the shadow of the more compelling *Brown v Board* case There had been earlier efforts to diversify juries reaching back at least to the trial of Gregorio Cortez in 1901 and continuing with efforts by the legendary Oscar Zeta Acosta in Los Angeles in the 1960s Even as recently as 2005 there has been clear evidence that Latino participation in the Texas jury system is still substantially unrepresentative of the growing population But in a brief and shining moment in 1954 Mexican American lawyers prevailed in a system that accorded their community no legal status and no respect Through sheer tenacity brilliance and some luck they showed that it is possible to tilt against windmills and slay the dragon Edited and with an introduction by University of Houston law scholar Michael A Olivas *Colored Men and Hombres Aqui* is the first full length book on this case This volume contains the papers presented at the *Hernandez* at 50 conference that took place in 2004 at the University of Houston Law Center and also contains source materials trial briefs and a chronology of the case
