Speak to Me, Lord, I'M Listening Betsy Tacchella, 2014-06-10 Throughout the Bible God spoke to people but does He still speak to us today Through personal stories in Speak to Me Lord Im Listening you will gain fresh insight into how God communicates with us Come along and hear how God spoke to me the day a fire threatened our home and again when we endured a mudslide Enjoy His sense of humor as He spoke in the midst of a disastrous camping trip Be encouraged by how He provided specific Scripture in the face of important decisions and wisdom regarding a sticky relationship Experience the amazing words of hope and counsel He gave us regarding our sons college education Share in the unique words of comfort and support God gave me during my mothers trial with Alzheimers Again when my husband had a stroke it was Gods personal direction that led to a miraculous event Through stories interspersed with biblical insights you will find that our journey through life with Jesus is more than us talking to Him It is also God speaking words of encouragement comfort and direction through Scripture prayer people circumstances dreams visions and His creation Join me as we embark on an adventure of discovering and recognizing Gods voice Lets listen and delight in hearing Him speak My sheep hear My voice and I know them and they follow Me John 10 27

**God Still Speaks Through Your Dreams** Greg Cynaumon, 2008-07-13 If you re open to hearing God even when you re sleeping your dreams can be a rich source of revelation and insight One man s dream saves his family from what could have been a deadly fire A fifty two year old woman finally understands a dream she s been having since she was thirteen A policeman s dream warns a friend of a dangerous encounter with a suspect Church elders have the same dream about a change in the church s leadership A strange and frightening dream warns a mother of a potentially dangerous relationship in her son s life A dream confirms an East Indian man s decision to become a Christian As you read the details of these and other dreams that Dr Greg Cynaumon describes

you will find that they and the circumstances that surrounded them were more than coincidental. You will be convinced that God who is concerned and involved in the lives of individuals has something to say through dreams. And you won't want to miss His messages. Dr Cynaumon examines dreams from a perspective that is both scientific and biblical. He explores dream interpretation, explains some common dream symbols, and answers questions about dreams and their occurrences in Scripture. He also corrects several popular myths about dreams. If you desire to unravel one of life's great mysteries but are wary of secular approaches to this subject, then you'll want to explore with Dr Cynaumon how God still speaks through dreams.

*Preparing to Encounter God* Theodore Andoseh, 1900 This compilation offers a unique perspective on encounters with God both on an individual and collective level as exemplified by the lives of Abraham, Isaac, Jacob, and the people of Israel. By delving into their personal journeys, we uncover the distinct facets of God's identity as Father, Son, and Holy Spirit. We explore direct and indirect forms of collective encounters by studying God's interactions with Israel. Our quest to understand what it means to experience God's tangible presence led us to Scripture. We wanted to know if such profound encounters were documented, how individuals and communities prepared to meet and experience God, and what ensued thereafter. This daily journey unfolds during the 11th session of our annual 40-day Praise, Prayer, and Fasting Crusade. It captures the essence of our fervent prayers for a tangible encounter with the Almighty during the Third World Convention of Christian Missionary Fellowship International. As you immerse yourself in this life-changing moment, may the Lord abundantly bless your experience, leading you to relive a profound encounter with the Lord.

**The Magnificent 333 Prayers** Enoch O. Akanji, 2011-02-23 Prayer and Praises are significant parts of Christianity and in Christendom since the very beginning of time on the subject of relationship with God. Take the spiritual vitamin because when life gets rough, the rough gets life, but when you pray and praise, you will overcome and overtake whatever comes your way. The mountain can be moved with prayer and praises by faith in the Lord. In this world, you will have trouble, but take heart, Jesus has overcome the world. He has done His part; do your part by serving, praying, and praising the Lord. God Almighty hears us when we pray and praise. He knows us inside out and outside in. This book will help you very greatly in your relationship with God through our Lord and Savior, Jesus Christ.

Jesus Speaks to Me: Whispers of Mercy, Whispers of Love Adeline Jean, 2018-06-26 Unquestionably, this book is 100% factual. It offers an ordinary person's, the author's, perspective on the love and mercy of God, which is based on her actual and extraordinary personal experiences. At the same time, this book highlights the power of Scripture as well as the importance of prayer and faith. The author exposes her life to the world in order to help others discover the simplicity of listening to the Lord in various ways, whether through written words, people, or life experiences.

*My Journey* Linda Walker, 2012-07-20 Throughout history, God has used dreams, visions, and the prophetic word to instruct and encourage His people. He still uses these methods to communicate with us today. All we have to do is listen. *My Journey* is a collection of revelations the Lord has given Linda Walker over the years. Some of these prophetic words offered direction or warning while

others were simply messages of love from the heavenly Father to His beloved child Although Linda did not immediately understand some of these messages looking back she can clearly see how God used each word to keep her on the right path God speaks to each of us in unique ways We must learn to listen for His voice My Journey will bless and encourage you to seek God with your whole heart and get to know Him more intimately each day God is speaking Are you listening God Still Speaks Deborah Roeger,2022-01-31 Can I hear God s voice How can I be sure I am hearing correctly if I do What does the Bible say about this In this thoroughly Scripture based guide Bible teacher Debbie Roeger says we can Building on a biblical foundation she provides clear testimonies from people of various walks of life not only hearing God speak but putting what God says into action in more effective discipleship God Still Speaks joins God s growing arsenal of resources about hearing His voice A feature that distinguishes this book from others previously published is the more than 80 personal testimonies from family and friends describing their experiences of hearing God Those testimonies make this book a valuable resource for everyone without regard to the level of experience they have hearing God s voice The book s centerpiece is an extended discussion differentiating God s voice and the voice of the accuser Because hearing and obeying God is how we come to know Him proficiency is key to effective discipleship as Christ followers This book is suitable for individual reading but will find its most powerful role as a study for small groups or for church wide use Dream Language James W.
