Vasile,Harold K. Mintz,1999-08 Serious degradation mechanisms can severely reduce the service life of concrete structures steel reinforcement can corrode cement matrix can be attacked and even aggregates can show detrimental processes Therefore it is important to understand how damage can occur to concrete structures and to appreciate the timing of the actions leading to damage Damage to Concrete Structures summarizes the state of the art information on the degradation of concrete structures and gives a clear and comprehensive overview of what can go wrong Offering a logical flow the chapters are ordered according to the chronological timing of the actions leading to concrete damage The author explains the different actions or mechanisms in a fundamental manner without too many physical or chemical details to provide greater clarity and readability The book describes the different causes of damage to concrete including inappropriate design errors during execution mechanisms occurring during hardening of concrete and actions or degradation mechanisms during service life hardened concrete The degradation mechanisms are illustrated with numerous real world examples and many drawings and photographs taken of actual structures Written as a textbook for students as well as a reference for professionals this easy to comprehend book gives readers a deeper understanding of the damage that can occur to concrete during the construction process and service     *Even You Can Present with Confidence* Paul Du Toit,2008 This book provides all you should know about overcoming nerves feeling comfortable about yourself in front of an audience use of presentation equipment and delivering punch persuasive presentations that work

**Fearless Fluency** Julian Northbrook,2019-07-23 Do you speak English confidently Or are you paralysed by fear It s hard enough to learn English But when you re not confident It s even harder This book will take you through the confident English speaking mindset and will show you how to speak with

confidence next time and every time you speak English I was never confident When I was younger I was shy and not confident in front of people And this held me back and made improving my second language hard I never took the opportunities I had to really use my Japanese because I was afraid Fearless Fluency will show you how to speak English confidently and fluently Yes I've been there And this is why I know you CAN overcome your fear of speaking English if you want to If you want to speak English confidently and be more confident in your everyday life it's likely you're going to need to make changes to the way that you think and behave But pay attention apply the lessons I share and your confidence will grow Here's just some of what you'll learn Why some people succeed in English and others fail make your YOU succeed what confidence REALLY is hint it's probably not what you think and this is making it hard for you to overcome your fear A lesson from the film Jurassic World that could help you speak confident English and be happier in life in general How to stand out as confident in English and gain the respect of everyone around you The Three Fears of speaking English as a second language and how to overcome them easily by yourself The evolutionary reason you feel nervous and afraid when you have to speak English and the shocking truth about human beings but just knowing this is enough to break the bad habit How the most famous successful people in the world became successful and how you can and should copy what they did with your English The true meaning of failure that you won't find in any dictionary The unconventional secret to doing any interview confidently in English How to eliminate embarrassment from your life quickly and easily A lesson from one of the world's most successful beer brands that you can and should apply to everything you do One simple habit that has nothing to do with speaking English BUT can help you to be much more confident in English WHO is Julian Julian Northbrook is an unconventional punk of the business English learning world A leading expert in English education and direct response marketing he's fully equipped to drag you kicking and screaming from English mediocracy to speaking at an outstanding level After being turned down for his dream job in the art industry Julian suffered three long years as a crap Japanese speaker He understands exactly what it's like to feel like a total idiot every time you speak But Julian overcame his language problems mastered the language and went on to work first as a freelance translator then as an executive member of a Japanese company But he soon grew sick of the corporate world and left to do something more satisfying teaching people how to speak English at an extraordinary level **Speaking With Confidence and Skill** Lynne Kelly, Arden K.

Watson, 1989-04-11 Convinced that public speaking fears outranked all other fears the authors combined their years of teaching novice speakers to set forth their techniques for reducing apprehension and sharpening communication performance skills The three basic techniques stressed are cognitive structuring or attitude change relaxation techniques and skills training All of the topics addressed herein are intended for students in basic speech communication classes Some of the topics are the process of communication assessing yourself as a communicator improving attitudes and reducing apprehension preparing and delivering a public speech improving skills in group discussions as well as in all types of social
