Understanding Life in the Borderlands I. William Zartman, 2010 The past two decades have seen an intense interdisciplinary interest in the border areas between states inhabited territories located on the margins of a power center or between power centers This timely and highly original collection of essays edited by noted scholar I William Zartman is an attempt to begin to understand both these areas and the interactions that occur within and across them that is to understand how borders affect the groups living along them and the nature of the land and

people abutting on and divided by boundaries These essays highlight three defining features of border areas borderlanders constitute an experiential and culturally identifiable unit borderlands are characterized by constant movement in time space and activity and in their mobility borderlands always prepare for the next move at the same time that they respond to the last one The ten case studies presented range over four millennia and provide windows for observing the dynamics of life in borderlands They also have policy relevance especially in creating an awareness of borderlands as dynamic social spheres and of the need to anticipate the changes that given policies will engender changes that will in turn require their own solutions Contrary to what one would expect in this age of globalization says Zartman borderlands maintain their own dynamics and identities and indeed spread beyond the fringes of the border and reach deep into the hinterland itself

Reading Palestine Ami Ayalon, 2010-01-01 Prior to the twentieth century Arab society in Palestine was predominantly illiterate with most social and political activities conducted through oral communication There were no printing presses no book or periodical production and no written signs in public places But a groundswell of change rapidly raised the region's literacy rates a fascinating transformation explored for the first time in Reading Palestine Addressing an exciting aspect of Middle Eastern history as well as the power of the printed word itself Reading Palestine describes how this hurried process intensified the role of literacy in every sphere of community life Ami Ayalon examines Palestine's development of a modern educational system in conjunction with the emergence of a print industry libraries and reading clubs and the impact of print media on urban and rural populations Drawn from extensive archival sources official reports autobiographies and a rich trove of early Palestinian journalism Reading Palestine provides crucial insight into the dynamic rise of literacy that revolutionized the way Palestinians navigated turbulent political waters

The Skin and Its Girl Sarah Cypher, 2023-04-25 A young queer Palestinian American woman pieces together her great aunt's secrets in this enchanting memorable Bustle debut confronting questions

of sexual identity exile and lineage As beautifully detailed as a piece of Palestinian embroidery this bold vivid novel will speak to readers across genders cultures and identities Diana Abu Jaber author of *Fencing with the King* A THEM BEST BOOK OF THE YEAR SHORTLISTED FOR THE URSULA K LE GUIN PRIZE FOR FICTION LONGLISTED FOR THE PEN HEMINGWAY AWARD In a Pacific Northwest hospital far from the Rummani family s ancestral home in Palestine the heart of a stillborn baby begins to beat and her skin turns vibrantly permanently cobalt blue On the same day the Rummanis centuries old soap factory in Nablus is destroyed in an air strike The family matriarch and keeper of their lore Aunt Nuha believes that the blue girl embodies their sacred history harkening back to a time when the Rummanis were among the wealthiest soap makers and their blue soap was a symbol of a legendary love Decades later Betty returns to Aunt Nuha s gravestone faced with a difficult decision Should she stay in the only country she s ever known or should she follow her heart and the woman she loves perpetuating her family s cycle of exile Betty finds her answer in partially translated notebooks that reveal her aunt s complex life and struggle with her own sexuality which Nuha hid to help the family immigrate to the United States But as Betty soon discovers her aunt hid much more than that *The Skin and Its Girl* is a searing poetic tale about desire and identity and a provocative exploration of how we let stories divide unite and define us and wield even the power to restore a broken family Sarah Cypher is that rare debut novelist who writes with the mastery and flair of a seasoned storyteller *The Folktales of Palestine* Farah Aboubakr,2019-03-21 Folktales are instrumental in ensuring the survival of oral traditions and strengthening communal bonds Both the stories and the process of storytelling itself help to define social cultural and political identity For Palestinians the threat of losing their heritage has engendered a sense of urgency among storytellers and Palestinian folklorists Yet there has been remarkably little academic scholarship dedicated to the tradition Farah Aboubakr here analyses a selection of folktales edited compiled and translated by Ibrahim Muhawi and Sharif Kanaana in *Speak Bird Speak Again* 1989 In addition to the folktales themselves Muhawi and Kanaana s collection is renowned for providing readers with extensive folkloric historical and anthropological annotations Here for the first time the folktales and the compilers work on them are the subject of scholarly analysis Synthesising various disciplines including memory studies gender studies and social movement studies Aboubakr uses the collection to understand the politics of storytelling and its impact on Palestinian identity In particular the book draws attention to the female storytellers who play an essential role in transmitting and preserving collective memory and culture The book is an important step towards analysing a significant genre of Palestinian literature and will be relevant to scholars of Palestinian politics and popular culture gender studies and memory studies and those interested in folklore and oral literature *Recontextualizing Resistance* Emily Golson,2018-01-23 Resistance is a concept that rose to the forefront of several areas of study when Max Weber made careful distinctions between authority force violence domination and legitimation It gained strong attention when the well known Palestinian journalist activist fiction writer and critic Ghassan Kanafani 1936 1972 published a study entitled the Literature

of Resistance in Occupied Palestine 1948 1966 a work that contributed to postcolonial theories of power race ethnicity and gender and second generation theories of orientalism feminism and disability Initially identified by philosophers historians and social critics as a focal point for situations in which oppressors brutally destroy the identity or subjectivity of the oppressed resistance has been transformed by fiction writers filmmakers lyricists and speechmakers into a process in which responses and counter responses to some type of injustice create difficult situations with complicated nuances These works now form the foundation for what has come to be recognized as resistance art This book gathers the insight knowledge and wisdom found in different manifestations of this art to further our understanding of the impact of resistance on contemporary life

Memory for Forgetfulness Mahmoud Darwish, 1995-03-20 One of the Arab world's greatest living poets uses the 1982 Israeli invasion of Lebanon and the shelling of Beirut as the setting for this sequence of prose poems Mahmoud Darwish vividly recreates the sights and sounds of a city under terrible siege As fighter jets scream overhead he explores the war ravaged streets of Beirut on August 6th Hiroshima Day Memory for Forgetfulness is an extended reflection on the invasion and its political and historical dimensions It is also a journey into personal and collective memory What is the meaning of exile What is the role of the writer in time of war What is the relationship of writing memory to history forgetfulness In raising these questions Darwish implicitly connects writing homeland meaning and resistance in an ironic condensed work that combines wit with rage Ibrahim Muhawi's translation beautifully renders Darwish's testament to the heroism of a people under siege and to Palestinian creativity and continuity

No Place for Grief Lotte Buch Segal, 2016-06-10 Westerners know Palestine through images of war and people in immediate distress Yet this focus has as its consequence that other less spectacular stories of daily distress are rarely told Those seldom noticed are the women behind the men who engage in armed resistance against the military occupation wives of the Palestinian prisoners in Israeli detention and the widows of the martyrs In Palestine being related to a detainee serving a sentence for participation in the resistance activities against Israel is a source of pride Consequently the wives of detainees are expected to sustain these relationships through steadfast endurance no matter the effects upon the marriage or family Often people media and academic studies address the dramatic violence and direct affliction of the Palestinians Lotte Buch Segal takes a different approach and offers a glimpse of the lives and the contradictory emotions of the families of both detainees and martyrs through an in depth ethnographic investigation No Place for Grief asks us to think about what it means to grieve when that which is grieved does not lend itself to a language of loss and mourning What does it mean to endure when ordinary life is engulfed by the emotional labor required to withstand the pressures placed on Palestinian families by sustained imprisonment and bereavement Despite an elaborate repertoire of narrative styles laments poetry and performance of bodily gestures through which mourning can be articulated including the mourning tied to a political cause Buch Segal contends that these forms of expression are inadequate to the sorrow endured by detainees wives No Place for Grief reveals a new language that describes the entanglement of absence

and intimacy endurance and everyday life and advances an understanding of loss mourning and grief in contemporary Palestine
