Winnipeg's Great War Jim Blanchard, 2010-09-15 From the local bestselling author of *Winnipeg 1912* comes the riveting next chapter in the city s history *Winnipeg s Great War* picks up in 1914 just as the city is regrouping after a brief economic downturn War comes unexpectedly thoughts of recovery are abandoned and the city digs in for a hard fought four

years Using letters diaries and newspaper reports Jim Blanchard brings us into the homes and public offices of Winnipeg and its citizens to illustrate the profound effect the war had on every aspect of the city from its politics and economy to its men on the battlefield and its war weary families fighting on the home front We witness the emergence of the city s social welfare services through the work of women s volunteer organizations the political scandals that led to the fall of the Rodmond Roblin government and the clash between independent jitneys and the city s private transit company And we hear the conflicted emotions that echoed in the city s streets from anti foreign sentiment and labour unrest to patriotic parades and a spontaneous Victory Day celebration that refused to end Through these stories Blanchard reveals how these crucial years set the stage for the decades ahead and how the First World War transformed Winnipeg into the city it is today *View From Rome* Pellegrino Stagni, John E. Zucchi, 2002-07-04 One of the acrimonious episodes in French English relations in Canada resulted from the bilingual schools question in Ontario in the early part of the twentieth century the issue reinforced the divisions within the Catholic Church between francophones and anglophones In 1916 the Pope wrote a letter to the Canadian bishops in the hope of encouraging a peaceful settlement to this dispute In his discussion the pope and his advisers relied heavily on the Apostolic Delegate of the Holy See to Canada Archbishop Pellegrino Stagni particularly on two reports Stagni had sent to Rome in 1915 on the problems regarding bilingual schools in the province and especially in the city of Ottawa In *The View From Rome* John Zucchi translates these two reports for the first time His introduction places the reports in context and offers historical background to the events surrounding the divisions in the church *The Canadian Annual Review of Public Affairs* John Castell Hopkins, 1914 **Perogies and Politics** Rhonda L. Hinthier, 2018-02-05 In *Perogies and Politics* Rhonda Hinthier explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left s success lay in its ability to meet the needs of and speak in meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinthier s colourful and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces **Official Report of Debates, House of Commons** Canada.
