**Speaking Truth** Emily Peck-McClain, Jen Tyler, Shannon Sullivan, Theresa S. Thames, J. Paige Boyer, 2020-02-18 Women are fierce and fed up and they have been joining hands together for the purposes of societal change for as long as there has been injustice. Women of faith are guided by the Holy Spirit to work together to bring down these injustices to build on the foundation Christ laid for the beloved community of God on earth. This book is women joining together to speak and act in new ways in response to the increasing challenges of our day. This book offers to all women the sustenance needed to face blatant racism, bigotry, sexism, heterosexism, and xenophobia in the world and in the church. The writers of *Speaking Truth* greet these challenges knowing that the Good News of Jesus Christ is bigger than any societal ill and that God has called us to play a part in God's work of transformation. When we pray together and act together, we claim a new vision for how things can be. A vision God gives us through Scripture. We can support both ourselves and other women as we learn to find and claim our voices and end the silences imposed upon us. *Speaking Truth* provides inspirational writings by women for women to face the societal challenges specific to today. Includes prayers, devotions, scriptures, and inspirational quotes for special challenges. Encourages women supporting, advocating, and praying for other women. **THE A B C's of TRUTH** J. Lindsay Sadler, Jr., 2021-07-08 The main distinctive is a strong stance for truth and a critical evaluation of those who lie. As someone said, Truth is the first casualty of war. America is in a war of who is telling the truth. I have taken each letter of the alphabet and have written a brief synopsis of the letter based upon truth. Hopefully, each synopsis will cause people to think through their beliefs and actions. The inspiration of the book is my children, grandchildren, and nieces and nephews. They are living in a world of lies and need to hear and know truth. As Dietrich Bonhoeffer said, Not to speak is to speak. Not to act is to act. I believe America is in a tail spin. If we aren't the influencers of truth, America will crash in a sea of lies. Jesus said we must stand up for truth for He is the Truth. John Lindsay Sadler Jr. has been a pastor for forty years. He graduated from Southeastern Baptist Theology Seminary in Wake Forest, NC, with a Masters of Divinity degree and a Doctor of Ministry degree. He has published three other books: *The I AM is Christmas*, *R E S C U E A Church Navigational System for Transformation*, and *The Church: The Devil's Playground*, and *America's Achilles Heel*. Lindsay has been married for forty-seven years, and he and his wife live in Charlottesville, VA, and they have four children and a host of grandchildren. *Speaking Truth to Power* Anita Hill, 1998-10-20 Twenty-six years before the #MeToo movement, Anita Hill sparked a national conversation about sexual harassment in the workplace. After her astonishing testimony in the Clarence Thomas hearings, Anita Hill ceased to be a private citizen and became a public figure at the white-hot center of an intense national debate on how men and women relate to each other in the workplace. That debate led to ground-breaking court decisions and major shifts in corporate policies that have had a profound effect on our lives and on Anita Hill's life. Now, with remarkable insight and total candor,

Anita Hill reflects on events before during and after the hearings offering for the first time a complete account that sheds startling new light on this watershed event Only after reading her moving recollection of her childhood on her family's Oklahoma farm can we fully appreciate the values that enabled her to withstand the harsh scrutiny she endured during the hearings and for years afterward Only after reading her detailed narrative of the Senate Judiciary proceedings do we reach a new understanding of how Washington and the media rush to judgment And only after discovering the personal toll of this wrenching ordeal and how Hill copes do we gain new respect for this extraordinary woman Here is a vitally important work that allows us to understand why Anita Hill did what she did and thereby brings resolution to one of the most controversial episodes in our nation's history *Speaking Truth to Power* Clive Smee, 2016-07-06
