Malcolm Knox,2020-11-01 From the marriage equality debate to the COVID 19 lockdown free speech has become the new battleground in Australian society What does the furore over one footballer s social media postings reveal about how it got that way For a period in 2019 a tweet from rugby player Israel Folau became the biggest story in the nation His urging of homosexuals to repent or face damnation cost him his job and divided the country Churches and politicians employers and labour lawyers sponsors and shock jocks even people who had never heard of Folau everyone had an opinion about his right to express his view and many shouted it from the digital rooftop Now that the dust has settled the real question emerges When celebrities and sportspeople in particular are regularly rehabilitated after incidents involving drink drugs and domestic violence why was it religious belief that got someone fired In this powerful and insightful work triple Walkley Award winning journalist Malcolm Knox explores how freedom of expression has become our national faultline Truth is Trouble explores the rise of the religious right and its political consequences the right to be a bigot versus cancel culture the changing nature of our rights at work and the separation between public and private lives and above all the incendiary power of social media And by interrogating his own experience Knox offers a convincing and heartfelt argument for the virtues of uncertainty and an open mind **Walking and Talking Feminist Rhetorics** Lindal Buchanan,Kathleen J. Ryan,2010-01-12 Walking and Talking Feminist Rhetorics Landmark Essays and Controversies gathers significant oft cited scholarship about feminism and rhetoric into one convenient volume Essays examine the formation of the vibrant and growing field of feminist rhetoric feminist historiographic research methods and methodologies and women s distinct sites genres and styles of rhetoric The book s most innovative and pedagogically useful feature is its presentation of controversies in the form of case studies each consisting of exchanges between or among scholars about significant questions *A Companion to the Works of J. M. Coetzee* Tim Mehigan,2014-02 New essays providing critical views of Coetzee s major works for the scholar and the general reader J M Coetzee is perhaps the most critically acclaimed bestselling author of imaginative fiction writing in English today He received the Nobel Prize for Literature in 2003 and is the first writer to have been awarded two BookerPrizes The present volume makes critical views of this important writer accessible to the general reader as well as the scholar discussing Coetzee s main works in chronological order and introducing the dominant themes in the academic discussion of his oeuvre The volume highlights Coetzee s exceptionally nuanced approach to writing as both an exacting craft and a challenging moral ethical undertaking It discusses Coetzee s complex relation to apartheid and post apartheid South Africa the land of his birth and evaluates his complicated responses to the literary canon Coetzee emerges as both a modernist and a highly self aware

postmodernist a champion of the truths of aliterary enterprise conducted unrelentingly in the mode of self confession

Let Me Continue to Speak the Truth Elizabeth Loentz,2007 In her first five chapters Loentz examines how Pappenheim engaged in words and deeds with the key political social and cultural issues concerning German Jewry in the early decades of the twentieth century the status of the Yiddish language Zionism the conversion epidemic responses to the plight of Eastern European Jews and Jewish spirituality Loentz shows how in Pappenheim s unique approach to each of these issues she balanced allegiances to feminism the Jewish religion and German culture BOOK JACKET Creating a Democratic Public Kevin Mattson,2010-11 During America s Progressive Era at the beginning of the twentieth century democracy was more alive than it is today Social activists and intellectuals of that era formed institutions where citizens educated themselves about pressing issues and public matters While these efforts at democratic participation have largely been forgotten their rediscovery may represent our best hope for resolving the current crisis of democracy in the United States Mattson explores the work of early activists like Charles Zueblin who tried to advance adult education at the University of Chicago and Frederic Howe whose People s Institute sparked the nationwide forum movement He then turns to the social centers movement which began in Rochester New York in 1907 with the opening of public schools to adults in the evening as centers for debate over current issues Mattson tells how this simple program grew into a national phenomenon and cites its achievements and political ideals and he analyzes the political thought of activists within the movement notably Mary Parker Follett and Edward Ward to show that these intellectuals had a profound understanding of what was needed to create vigorous democratic practices Creating a Democratic Public challenges us to reconsider how we think about democracy by bringing us into critical dialogue with the past and exploring the work of yesterday s activists Combining historical analysis political theory and social criticism Mattson analyzes experiments in grassroots democracy from the Progressive Era and explores how we might foster more public involvement in political deliberation today **Information Technology Law: The Law and Society** Andrew Murray,2013-08-22 Information Technology Law examines how the law interacts with our actions in cyberspace and other elements of the information society The first textbook to consider the relationship between the legal system and the information society it also covers issues such as governance free expression crime and looks forward to future challenges **Speak Truth to Power** American Friends Service Committee,2020-03-05 Studies on moral ways to ease international tensions Prepared for The American Friends Service Committee For more than thirty five years the American Friends Service Committee has worked among those who suffer recognizing no enemies and

seeking only to give expression to the love of God in service Out of this experience gained under all kinds of governments and amidst all kinds of people has come some appreciation of the problems of peacemaking in the modern world *Reading Without Maps?* Den Tandt Christophe (ed.),2005 Among the intellectual debates of the last forty years the critique of cultural canons has attracted the highest share of public attention stirring academic educational and media controversies on both sides of the Atlantic Postmodernism feminism postcolonialism and multiculturalism have refashioned the attitudes of educators and audiences towards cultural memory opening up curricula to subjects and traditions previously excluded from the humanities Predictably these new critical practices have triggered heated responses from commentators fearing that culture and education might thereby be deprived of their capacity to provide audiences and learners with proper groundings and landmarks The present volume gathers contributions that throw light on multiple aspects of this reconfiguration of cultural memory It brings together essays focusing on the dynamics of canon formation in several fields literature drama film and music Contributors examine how writers and communities find their bearings in a cultural landscape more complex than that previously envisaged by advocates of the Great Tradition Specifically the present essays throw light on the status of modernist writing drama in English or popular genres within the new canonical topography elaborated at the turn of the twenty first century An Introduction to Book History David Finkelstein,Alistair McCleery,2013 This second edition of An Introduction to Book History provides a comprehensive critical introduction to the development of the book and print culture Each fully revised and updated chapter contains new material and covers recent developments in the field including The Postcolonial Book Censorship by states and religions Social History and the recognition of underrepresentation of its value to book history studies Contemporary publishing Each section begins with a summary of the chapter s aims and contents followed by a detailed discussion of the relevant issues concluding with a summary of the chapter and points to ponder Sections include the history of the book orality to Literacy literacy to printing authors authorship and authority printers booksellers publishers agents readers and reading the future of the book An Introduction to Book History is an ideal introduction to this exciting field of study and is designed as a companion text to The Book History Reader The Complete American Constitutionalism Mark A. Graber,Howard Gillman,2015 The Complete American Constitutionalism is designed to be the comprehensive treatment and source for debates on the American constitutional experience It provides the analysis resources and materials both domestic and foreign readers must understand with regards to the practice of constitutionalism in the United States This first volume of a projected eight volume set is entitled Introduction and The Colonial Era Here the authors provide the building blocks for constitutional analysis with an in depth exploration of the constitutional conflicts in the seventeenth and eighteenth centuries that formed the overall American constitutional experience This is the first collection of materials that focuses on the crucial constitutional documents and debates that structured American constitutional understandings at the time of the American Revolution It details the roots of the common law rights that

Americans demanded be respected and the different interpretations of the English constitutional experience that increasingly divided Members of Parliament from American Revolutionaries *Under the Red Velvet Cover* Grant Garris, 2010-05-18

Today I would learn the truth An efficient sounding female voice answered the phone Dallas County Police Department Where do I begin What do I say Yes ma am I need to speak with someone about a case that s twenty two years old A case What type of case A sexual abuse case With that phone call successful business executive Grant Garris began a journey through the memory of his shattered childhood many of the details as painstakingly clear as when they had occurred as he suffered violent and horrific sexual abuse at the hands of his own grandfather In a stark and startling memoir Garris recounts his early years offering no protection from the shocking reality that is childhood sexual abuse Difficult to read and yet impossible to put down Garris details molestation the physical torture and the sadistic mental manipulation that are the all too common arsenal of those who harm children and those who protect them as they harbor a family s dirty secret Standing against a monster and refusing to be deterred by the intricate family ties and powerful political connections of a Southern bastion family that threatened to sacrifice their own children to the altar of public image Garris chose to prevail Garris movingly recounts the surprising support system that evolved in his journey including a seemingly powerless domestic servant strangers a fellow survivor named Oprah Winfrey and a few courageous loved ones all of whom dropped into his life at precisely the right moment Garris life story is not a narrative of victimhood nor is it a rosy tale of happy endings tied up in a neat package Instead it is the gritty raw and sometimes wonderful reality of conquering adversity This book should be required reading for all who believe it is time to shred the veil of secrecy that protects child molesters
